

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA -- MAY 31, 1972

These members of the Rotary and Legion march teams are ready for the starter's gun to get Saturday's annual Miles for Millions walk underway. From the left are Rotarians Dan Baines, John Arabsky, and the Legion's Bud Ball and Barry Thompson.

ANNUAL MARCH TO BE HELD SATURDAY

Dick Buday, ex-pro-football player and vice-chairman of the Miles for Millions committee suggests that for a few days before the walk on June 3rd, the feet be soaked in a solution of potassium permanganate (available at drug stores).

This pre-conditioning

prevents blistering by toughening the skin on the feet. The committee also warns walkers to take precaution against sunburn and to have proper footwear. Powdering the feet will reduce chafing and woolen socks and heavy shoes are best.

Marchers may register

Friday evening at the arena between 7:00 and 9:00 p.m. to avoid mass confusion Saturday morning. For those who cannot register Friday, Saturday registration will be from 7:00 - 8:00 a.m.

The gun will start the walkers at 8:00 a.m., with a Cont. on Page 2

Don't let his mild name fool you! Block's 'Tinky' shows his nasty side as he sends this rider sprawling in the dust of the rodeo infield.

Planning Going Ahead For Evergreen Rodeo

Bare back riding, wild cow milking and all the excitement of rodeo time will provide the background to the fourth annual Evergreen Rodeo at Drayton Valley Lions West Valley Park June 10th and 11th.

Pancake breakfast and parade will open the show at 6:00 a.m. and 10:00 a.m. Saturday, followed by rodeo events beginning at 2:00 p.m. Events will include Saddle Bronc, with \$100. purse and trophy donated by Sekura Auctions; Bare Back, \$100. purse and Swannee Well Servicing Ltd. trophy; Bull Riding, \$100. purse and AM Plumbing and Heating Ltd. trophy; Calf roping, \$100.

and Meraw and McGee Well Servicing Ltd. trophy; Steer Wrestling, \$100. and IGA trophy; Ladies' Barrel Race, \$50. purse and UFA Co-op trophy; Junior Steer Riding, \$25. purse and M & R Trucking Ltd. trophy; Wild Cow Milking, \$25. purse and Rim-bey Wireline Services trophy. Panky's Enterprises Ltd. will be offering the trophy for All-Around Cowboy.

Saturday evening show begins at 6:30 p.m. and features the 13-2 and under pony race, registered 2-year olds, under stock saddle, open, Pembina derby, and the big chuckwagon races.

Sunday evening's show will feature a relay, 14-12 and

under pony race, two open events, the Evergreen Derby, and three heats of big chuckwagon races.

A teen dance Friday and big western dance Saturday will be held at 9:30 p.m. with admission \$1.50 per person. The Canadian Northlands Shows Midway will be open on the rodeo grounds both days and all events are C.C.A. approved.

This year's rodeo announcer is Roger Lehr, with Curley Pat Hunsaker of Ogden, Utah acting as clown and bull fighter.

Stock contractors and operators of the rodeo are Block Brothers of Rosalind.

Retirement Ends 38 Years Service in Education Field

Mr. Johan Overbo, principal of the Tomahawk School for the past 33 years, was honored at an Appreciation Night May 20 at the Tomahawk School in recognition of his retirement this year.

Over 400 guests, including former students from as far away as Arizona and California, attended the reunion sponsored by all the Tomahawk organizational clubs.

In recognition of his 38 years in the education field, Les Bryant of the Alberta Teachers' Association presented Mr. Overbo a letter of commendation on behalf of the A.T.A.

President of the Tomahawk Community Club Herb Zander awarded Mr. Overbo a plaque expressing appreciation of services rendered to the school and community over the past 33 years.

Miss Colleen Holland, a third generation student of Mr. Overbo, presented Mrs. Overbo a bouquet of roses. Mr. Overbo had taught Colleen's grandmother and mother as well as Colleen.

An album of pictures and letters from past students was given Mr. Overbo by Mrs. Janice Bijou.

Among other presentations was a poem read by Mrs. Ellen Shaw, which she had written herself, and tales of Mr. Overbo's past told by M.L.A. Rusty Zander.

In talking to several of his ex-students, Mr. Overbo felt that he had been relatively successful in his major aim to help the young prepare themselves.

"I wanted to help the young people," he said, "so that they, in turn, could be of service in their lifetimes and live enjoyable and full lives."

"I enjoy trying to help boys and girls," he said. "And I have respect for the dignity of each individual. I'm concerned for the worth of the human being."

When Mr. Overbo began his Tomahawk career as a principal, plans were to make Tomahawk the high school centre for towns west of Stony Plain. At that time, Tomahawk had the only high school for these areas, and a dormitory was built to accommodate students attending from such places as

Cont. on Page 2

Mr. and Mrs. Overbo

Plan Formation Community Choir

Many persons have expressed interest in the reformation of a community choir. A committee has been set up with Mr. A. Pierce as choir director. We would like late-teens and adults who have had some singing experience to meet on Tuesday, June 6, at 7:30 p.m. in the theatre of Frank Maddock High School. The purpose of this meeting will be to set a day that we could have rehearsals in the fall. By setting an evening aside now you will be able to plan your fall calendar of events.

The purpose of the choir is for your own enjoyment and that of the community. We would like to cover the whole spectrum of choral music from the baroque period to the modern idiom. Also, a major project next year could be the staging of a musical. If you are interested please remember Tuesday, June 6, at 7:30 p.m. If you have anymore questions or would like to be in

this group and cannot make this initial meeting, please contact Mrs. J. Smith at 542-3716.

Dentist Joins Dr. Shimbashi

A new arrival to the community is Dr. Barry Fleming who has been associated in dental practice with Dr. Hank Shimbashi since May 24th.

Dr. Fleming who graduated from the U of A this spring, is a bridegroom of two weeks. Mrs. Fleming is teaching in Camrose and will be moving to Drayton Valley at the end of the school term in June.

Dr. Fleming attended public and high school in Grande Centre before moving to the U of A. He is a sports enthusiast and looking forward to golfing and curling in the community.

Drayton Wins Second Tourney

Drayton Valley Baseball Club has started the season off well by taking the Camrose tournament May 28th after winning the Drayton Valley tournament last weekend.

Camrose was defeated 11-10 in a 10 inning match against Drayton Valley in the final game to let Drayton Valley take the day-long

tournament.

Morning action saw Camrose out-hit Edmonton Oilers, Burns Shamrocks defeat Tofield and Drayton Valley beat Czar. As a result, Camrose met the Burns Shamrocks in the semi-finals, out-hitting them 9-2.

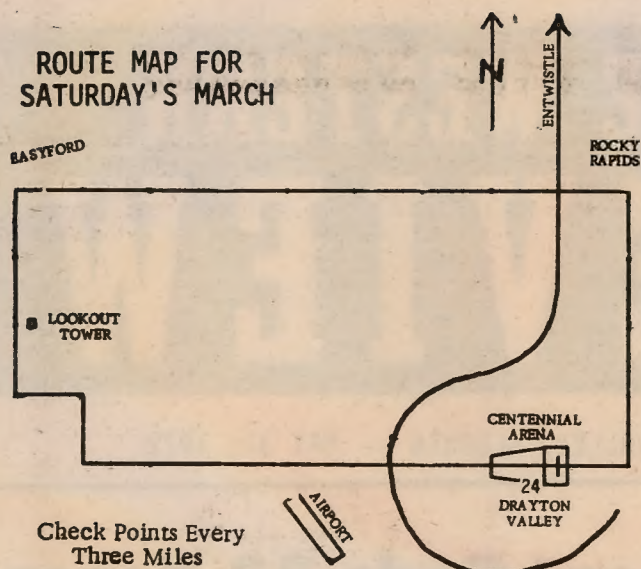

Cash prizes were awarded for each game won.

Plan Picnic Farmers' Day

The annual Farmer's Day Picnic will be held Friday, June 9th at the Easyford campgrounds. A pot luck dinner at 1:00 p.m. will be followed by races and treats for the children.

The Farmer's Day Frolic will be held in the Elk's Hall in the evening with supper at 6:30 p.m. and dancing from 9:00 to 1:00 a.m. Tickets are \$6.00 per couple with music by the Tomahawk Happy Gang.

ROUTE MAP FOR SATURDAY'S MARCH

ANNUAL MARCH

Cont. from Page 1

send-off by the Community Band and anyone who is not walking and wishes to see them off. If marchers do not complete the walk, they are asked to return to the arena to sign out. There will be check points every three miles on the route and pick-up cars will be on hand to give rides back to the arena.

Lt.-Governor Grant MacEwan will be at the arena at 8:00 a.m. to walk the 25-mile route. Pledge sheets for Grant MacEwan have been placed in the banks and drug stores.

Pledge sheets for walkers are available at Getzinger's, the banks, Bambee's, and the schools. The committee reminds walkers that there is lots of room for the team competition, and a trophy will be awarded to the team with the most points.

Every year many walkers fail to carry through with the collection of pledges. The committee asks walkers if they obtain pledges to try to collect them as soon as possible after the march and deposit them at a bank or other depository (to be announced

later). Those who do not intend to pay their pledges are asked to not make one. It is very disappointing for the walkers to return again and again to find they cannot collect. The committee has had reports where people refused to answer the door when walkers have come for their pledges.

Cars along the route present a dust problem for marchers, so unauthorized vehicles are asked to stay off the route.

Proceeds from the march will be distributed as 90% for local use and 10% for Oxfam.

Gainford News

A surprise housewarming was held in the new home of Mr. and Mrs. McNamee on Saturday evening. About 18 people attended, and special thanks go to Mrs. Alice Djes and Mrs. Jenney Belmond for arranging the get-together of their former neighbours from South of Gainford.

Mrs. Gene Forbes and the J. C. Browns spent Sunday in Red Deer visiting with

Peggy and Murray Forbes. Mr. Hittenger has spent some time in hospital lately. Bill Kereliuk is home from hospital now.

Fire Sunday afternoon completely destroyed Walter Kaminski's house on the lake shore at Gainford. This building with its large fireplace and big windows overlooking the lake, was an old-time landmark. The Entwistle Fire Department are to be complimented for their very quick service.

The Lyle family of St. Albert were out cleaning up their cabin at Isle Lake Resort on the holiday weekend.

Mrs. Ethel Ford spent a couple of days visiting at the Strachans while Ted and Renie Phillips went on a trip to the mountains.

The Don Strachans spent Sunday with relatives in Gainford.

Ivor McNamee of High River and Bruce McNamee and family of Calgary along with Mr. and Mrs. Sock spent the weekend visiting in Gainford.

Retirement Ends

Cont. from Page 1

Lodgepole, Berrymoor, Seba Beach, Wabamun, and Keephills.

However, the oil boom hit Drayton Valley, and Tomahawk as a high school centre began to fade out. By 1965-66, most high school students were attending Seba Beach, and now Tomahawk School teaches only grades one to eight.

Born in Molstad (now known as Bawlf) near Camrose in 1907 to Mr. and Mrs. G. Overbo, he attended schools in Lake Vernon, Jarow, Gratton, Viking, and Camrose. In 1926 he attended the University of Alberta, from which he graduated with a BA degree.

Upon graduation in 1931, Mr. Overbo began studying for the ministry, but switched to the teaching profession in 1934 when he was given a position teaching grades one to eight at Lake Vernon. After teaching there for one year, he became principal of the East Clover Bar high school for one year.

He then went to Manola for six weeks, and after taking some time off in Edmonton, went to a two-room school in Gainford teaching grades six to 10 for one year.

In 1939, he was offered the position of principal for the Tomahawk School and he has taught there ever since.

Married to Hazel Smith in

Edmonton in 1934, the Overbos now have two children--Harvey, married and working for the government; and Shirley, married and working on her Library Sciences degree at University of Alberta after obtaining her BED with distinction three years ago.

In looking at his 65 years, Mr. Overbo feels his major achievement was the opportunity to serve in Tomahawk. For his outstanding services to the community and to the country, Mr. Overbo was awarded a Centennial Medal in 1967.

When asked what his retirement plans are, he said he plans "to do as little as possible". He explained that he and his wife have no definite plans, but that they hope to travel, to enjoy life, and "to do whatever comes naturally".

"Usually if you don't make definite plans," he said, "they have a way of making themselves."

Cub Events During June

A Cuboree will be held in Evansburg Provincial Park, Saturday, June 3rd. A cub camp will be held at Mobuck Ranch June 16 to 18. Adult help is needed. For information on these events please contact Bruce Boles 542-3059; Mrs. D. Duperron, 542-3171; Al Horne 542-3404; or Keith Mundle 542-3409.

Keephills News

Elva and Wayne Clark attended a birthday party last Sunday near Fort Saskatchewan for Wayne's father, Mr. Doner Clark, who was 77 years old May 25th.

Keephills Home and School Bake Sale was held May 19th. Cherryl Tattersall is expected home soon from Williams Lake, B. C. where she spent two weeks with her uncle, Mr. and Mrs. Lloyd Tattersall and family.

Mrs. Annie Quigg returned to B. C. for a short holiday with her sister who spent a week visiting here. Inez Tinny also went to B. C. for a trip.

Susan Englehardt broke her ankle recently and her foot is in a cast.

Doug Walker spent a month in New Brunswick with the armed forces.

Dave Moonen spent the long weekend at Jasper with his Scouts. Brenda visited her parents at Highvale.

Mr. Albert Smith helped his son-in-law Roy Raymond with the addition on his home to Pickardville.

Grades 5 and 6 students from Keephills and Duffield have each won a ball game, with Duffield winning this week by seven runs.

Mr. Herb Heap, who has been in the Stony Plain Hospital, and Mrs. Dick Vanderwell, who has spent a few weeks in an Edmonton Hospital, are both at home now.

DRAYTON VALLEY

Project 'Hailstop' to be Expanded this Summer

Preparations are now well underway for the expanded cloud seeding experiments to be carried out in central Alberta by the Alberta Hail studies this summer. The experiments will commence in late June, and are a continuation of a series initiated in 1970 under the designation "Project Hailstop".

Project Hailstop is aimed at developing an effective method of reducing the tens of millions of dollars worth of hail damage inflicted on Alberta's crops and property every year.

A new approach to seeding hailstorms has been developed by the Research Council of Alberta. With the assistance of the National Aeronautical Establishment in Ottawa, a T-33 jet

aircraft was equipped to test the cloud seeding system during the last two summers. The cloud seeding technique uses silver iodide pyrotechnic flares which are dropped in rapid succession from the aircraft as it flies over the developing parts of hailstorms.

Each flare produces trillions of tiny particles which act as freezing nuclei and cause the water droplets in the storm to freeze earlier than would occur naturally. It is hoped that this will produce smaller hailstones, which may even melt before reaching the ground, and therefore cause less damage.

The key to successful application of this technique

depends very critically on being able to inject a high concentration of seeding material directly into the storm at the right time and place. The Alberta experiments are specifically designed to determine these critical factors using physical understanding, rather than statistical inference, and substantial progress has been made in the last two years.

The experiments conducted to date suggest that seeding one type of hailstorm, which commonly produces heavy damage, was effective in reducing hail size. However, seeding part of the exceptionally severe storm of July 23, 1971 appeared to have no immediately obvious effect; but there are indications that the seeding material was not injected into the appropriate part of this storm.

Detailed analysis of this storm is continuing, and seeding more of these "supercell" type storms may shed further light on the matter. These results are encouraging and certainly warrant an expansion of the experiments.

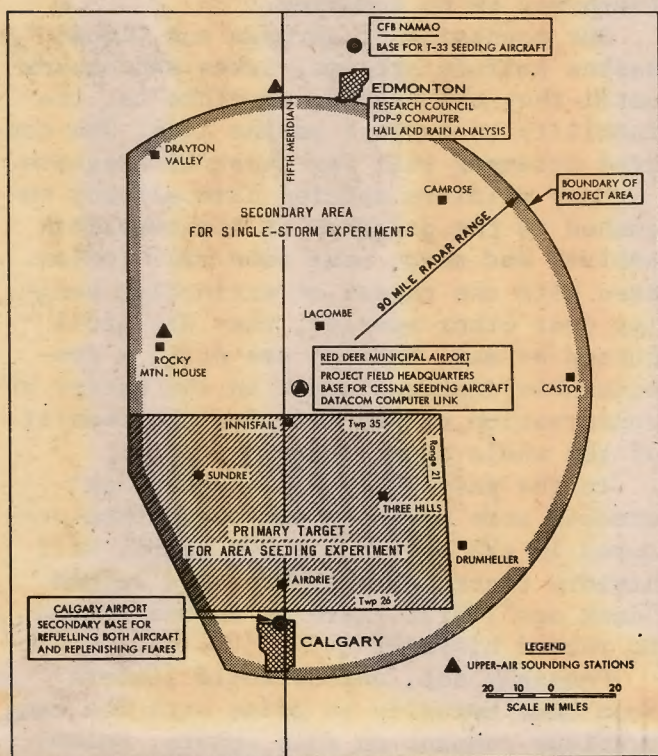

On several occasions when storms were seeded before they became well organized they dissipated soon after; and although this could have occurred naturally, the possibility that early seeding may be most effective is an intriguing one. The 1972 experiments have therefore been designed to allow this possibility to be investigated more fully.

The Hail Studies project area will be split into two parts. The main emphasis will be on the southern half extending from Innisfail to just north of Calgary and from the foothills east to the Red Deer River. In this area, an attempt will be made to seed as many as possible of the potential hailstorms as they build up in the foothills. Two aircraft will be used, both equipped to carry 104 cloud seeding flares.

In the northern part of the project area, extending from Penhold to Edmonton and east to near Camrose, the experiments on well-developed single storms will continue as done in the last two years. In this way, the detailed study of individual storms will

continue to advance the scientific understanding of hailstorms and possible seeding effects, while the area seeding experiment will apply current knowledge and technology to a pilot operational-type hail suppression program. Since this seeding program is still experimental, protection from hail damage is not guaranteed in either area.

During the hail season storms will be under constant surveillance from the project field headquarters based at the Red Deer Municipal Airport. Many of the observing techniques developed over the years will be used, and thousands of farmers will help by providing reports of hail occurrences and by manning special precipitation sampling stations.

FACILITIES AND EXPERIMENTAL AREAS FOR PROJECT HAILSTOP 1972

Burtonsville News

Bernice Osbak and family visited David and Eleanor Tattersall recently.

Mrs. E. Homme returned to Red Deer with Mr. and Mrs. Melvin Homme and family. After a few days with them, she visited Mr. and Mrs. Bill Homme and Mr. and Mrs. Lewis Homme before returning to the district.

Eleanor Tattersall is over her attack of the flu while Roger MacDougall has missed two weeks of school with the flu.

The friends of Ulrich Wiedemann will be sorry to hear he is a patient in the Royal Alex Hospital. We wish him a speedy recovery.

On Sunday, May 21st, Mrs. Lily Robb, Norah MacDougall and Mr. and Mrs. Delbert Joy, all of Edmonton visited at the MacDougall homes in this district.

Julia and Christine Wilkening of Swan Hills and Larry and Sylvia Bailey of Stony Plain were visitors at the home of Mr. and Mrs. Jim Bailey over the long weekend. On Monday, Jim and the boys and Larry had a successful fishing trip and Lil, Julie and the younger children went to visit Marylee Wilkie in the afternoon.

Vernon Osbak visited his sister Eleanor Tattersall and his grandma, Emma Homme on Monday.

On Sunday evening Rev. J. D. Kennedy, Mrs. E. Homme and Mr. and Mrs. David Tattersall attended the Mewassin Church. Rev. Herb Montgomery was in charge of the service.

Mr. and Mrs. Cecil Homme and family visited her sister, Judy Ratke, her husband and family on Sunday afternoon.

LEGISLATIVE REPORT

By Kevin Peterson of The Calgary Herald

Premier Peter Lougheed's rights protection legislation received approval-in-principle in the Legislature this week, but only one day later NDP leader Grant Notley raised the first conundrum the rights protection faces.

Debate on the human rights package -- a Bill of Rights that bars government invasion of six basic freedoms and in Individual Rights Protection Act that prohibits person-to-person discrimination -- brought all-party agreement.

But it also brought warnings and head-shaking from

all parties -- including the premier himself -- as to how effective any government can be in barring discrimination on the basis of race, creed, color, age, ancestry or national origin.

Opposition Leader Harry Strom joined many of his Socred colleagues in saying the legislation sounds and looks nice. But they warned there are dangers inherent in protecting specific rights rather than relying on traditional protection and also questioned how effective the bills would be.

Premier Lougheed was quick to agree. However, no one expected the quandry would be pointed out so soon as it was. Only a day later, NDP leader Notley rose in his seat to say Alberta's own version of Klu Klux Klan had been incorporated by the government.

Mr. Notley told reporters he finds "very repugnant" two of the purposes outlined in the application for incorporation and he asked Attorney-General Merv Leitch if something could be done about them.

The bothersome clauses are:

"To attempt to preserve, by legal means, chiefly through public educational propaganda and mutual fraternity, the traditions and ideals of the Celtic and Anglo-Saxon races, or more generally, the traditions and ideals of the white races,"

"To advocate racial purity, among its members."

Mr. Notley was not the only one to find the Confederate Klans of Alberta clauses repugnant -- every member of the House and the vast majority of Albertans would join him.

But as lawyer MLAs from the government side said after a quick look at the application, "it's legal". It is legal not only under existing legislation, but will continue to be so when Mr. Lougheed's rights package gets final approval in the fall.

Ron Ghitler (PC--Calgary-Buffalo), the sponsor of the Individual Rights Protection Act, had summed it up in debate earlier in the week. The government will not try to force an end to discrimination but will try to settle complaints and influence attitudes, he said.

The laws may not do everything Albertans would like them to do, he admitted, but will have an effect on changing attitudes and mores.

Mr. Notley's revelation effectively squashed the happy atmosphere that proclamation of a few laws ends the problem.

Agriculture Minister H. A. (Bud) Olson, examining Tulip and her foster mother. Tulip was born May 9, nine months after she was transferred as an embryo in the womb of her foster mother. The birth, at Agriculture Canada's Animal Disease Research Institute, is believed to be the first of its kind in Canada. The donor cow was a Holstein and the sire was an Aberdeen-Angus bull. By using transfers, genetically superior cows could produce more calves which could be carried through pregnancy by foster mothers.

Report From Parliament Hill

By Allen Sulatycky, M.P.

John Diefenbaker and David Lewis have been through many battles in the House of Commons, but their recent set-to over Mr. Lewis' comments regarding labor difficulties in Quebec beat them all for tension and drama.

In speaking to a meeting of the steelworkers union the NDP leader was critical of judges generally and in particular of the judge who sentenced three Quebec union leaders to jail for advising workers not to return to their jobs as directed to do by court order.

The next day, Mr. Diefenbaker rose in the House to demand an investigation of these remarks. He charged that if what Mr. Lewis alleged was true, the rule of law would become a memory, and the very vitals of our national well-being would be destroyed.

Mr. Lewis was not in the House when the Diefenbaker motion was presented, but when the House resumed sitting the following day, he was quick to defend himself. Even though he has aged somewhat, he demonstrated on this occasion that he is still one of the most formidable debaters in Parliament.

He defended his right to criticize the judiciary and claimed that what Mr. Diefenbaker has said was "a complete misrepresentation".

"I am sure that he did not intend to be unfair, but he was", Mr. Lewis protested.

The NDP leader then moved that Mr. Diefenbaker's statement of the previous day be investigated by a Parliamentary committee.

Under parliamentary

rules when a motion is directed against a member, that member has the right to reply to it. Mr. Diefenbaker was obviously itching to get on his feet long before Mr. Lewis sat down.

Mr. Diefenbaker, too, has slowed down. But when he feels deeply, he is still as much the master of parliamentary debate as at any time during his outstanding career.

"I have been in this House a long while and I have always maintained the traditions of proper debate", he began. "I have never made a misrepresentation intentionally at any time."

Of Mr. Lewis, he said, "the degree of his annoyance and exuberant exaggeration can only be attributed to the different reaction he has received throughout the country than he received when he spoke to the steelworkers. I would not for worlds misinterpret him on any occasion."

"I understand how deeply he feels, because there are some people who if there is a ten-acre field and only four cowflaps in it, would walk into them all."

The Speaker reserved his ruling on whether or not the motions were acceptable. When he ruled the next day that neither motion could be accepted, the high drama had already passed. David Lewis had proven that he was still a fearless and determined political fighter and John Diefenbaker was still, as one Liberal put it, "Super-Dief".

Editorial Comment

The Amazing Wonders of The Twentieth Century

Some of the facts and figures of man's misuse of the earth are appalling and cause for much misgiving by thoughtful people.

Many of our expendable natural resources will not last beyond the end of this century yet the bulk of the human race stands by idly while exploiters rip them from the earth to serve their own selfish ends without regard for tomorrow. And if we continue to watch, unconcerned, there may be no tomorrow.

Our mountains of garbage and liquid wastes pollute streams, lakes and oceans until they are beyond, or close to, the inability to support marine life. The control attempts fall far short of adequate.

Many wildlife species have already succumbed to the progress of the twentieth century and many, many soon will follow. Even with the threat of extinction hanging over other species, they are still hunted by man. Nations are still a considerable distance apart in the matter of conservation of sea life for the benefit of the whole human race.

In the past 200 years mankind has wrecked more havoc on the earth than occurred in the previous 2,000 years. Will history record our century as a second "dark age"? Will there be anyone around to record history?

Possibly not, unless world leaders soon come mutually to grips with the many problems rampant on this sphere. Unless we soon get this wise world leadership our problems might ignite a global catastrophe.

It is almost beyond belief that the humans capable of the wonders of technology of today, are unable to cope with the moderate demands of housekeeping on earth.

Hunting License Farce

Spurred by the Alberta Fish and Wildlife Advisory Council, Cabinet Minister Allan Warrack has announced that senior citizens will not get free hunting licenses because of safety reasons.

On the surface this looks good. But a deep examination will indicate a ludicrous aspect for many, many reasons.

Because while this may prevent some elderly persons from hunting because of economic conditions, it in no way prevents those who can afford licenses but should not be in the field because of those same safety reasons.

Because the fact of the matter is, these people -- and anyone else -- can have 20/400 vision or be completely deaf -- and present regulations allow them to obtain a hunting license in Alberta. Furthermore, there is nothing to prevent the criminally insane or completely illiterate from doing likewise.

By getting someone else to fake the signature, you can actually obtain a license for your dog or other pet.

In other words, we insist on medical examinations for life insurance; you cannot get an automobile license without a driver's test and written examination; and there is no way you will get into any law enforcement agency without a complete test of all of your faculties.

And yet we continue to allow anyone to obtain a license to hunt with a weapon manufactured to kill -- and we could not care less whether they are fit or not and whether or not they undergo any test or examination. Who cares whether or not senior citizens do not get free hunting licenses when so many more serious loopholes remain in existence from the former administration with still no one particularly concerned. -- Bruce Hogle, Minitorial, CFRN

LETTERS TO THE EDITOR

To The Editor,
The Western Review,
Dear Sir:

TO THOSE INTERESTED

To quote a sentence from a speech of Abraham Lincoln "It is a sin to be silent when it is your duty to protest."

On checking the Miles For Millions Sponsorship Record I read.

"Why Walk? -- In Canada over \$4,000,000 was raised by Miles for Millions last year and it went to support numerous projects in the developing countries. The object is to help people in disadvantaged parts of the world help themselves, to help them grow enough food for a proper diet, to help treat diseases which make them dependent on others, to help them limit family size to a number that can properly be supported, and to help them get started on the road to economic self-sufficiency and dignity. The list of what the money bought is a long one but it included school supplies and seeds, fertilizers and family planning, loaders and livestock, books and bulldozers, tools and teachers. This year your efforts will help more people break out of the circle of poverty, illiteracy, starvation and lack of opportunity."

When reading the Western Review, May 24th, 1972 I read. "The Miles for Millions committee this year has decided to keep a larger percentage of the pledges for local use. 10 percent will go to Oxfam and 90 per cent will remain in Drayton Valley."

Since when has Drayton Valley entered the circle of poverty, illiteracy, starvation and lack of opportunity.

Signed: Mrs. Hammerlindl (not a walker or a sponsor this year.)

Town Brief Opposes Oil Reserves Increase

Mayor Lloyd Maclean accompanied by Councillors Catherine Waugh, Bob May, Industrial Development Co-ordinator Don Vanstone and Town Administrator Bill Johanneson attended a session of the Alberta Legislature last week to present a brief from the town seeking reconsideration of a number of proposals put forward by the Position Paper, "Natural Resources Revenue Plan."

The plan, recommending enactment of legislation to tax the known oil reserves of the province, was criticized by the town brief which is printed in its entirety as follows:

"Although there may be many effects detrimental to the best interests of the Province as a whole, and possibly of the Nation as a whole, occasioned by the proposals contained in The Position Paper of April, 1972, being Tentative "Natural Resources Revenue Plan" for the Government of the Province of Alberta, the Town of Drayton Valley will only outline those effects which will relate most directly to the Town and District.

"By introducing a tax upon the proven oil reserves still within the ground, additional costs will accrue to each unit of oil produced, which we suggest could produce the following effects to the Drayton Valley and District economy:

"Of the 3000 plus oil wells in production in the Pembina Oilfield, approximately 15% are marginal producers which, when faced with additional costs such as a tax proposed in the above would, because of economics, likely have to be abandoned.

"The abandonment of this number of wells would conceivably reduce the work force presently employed directly in the operation and maintenance of same by at least a similar 15%.

"The agricultural economy of the area would suffer a setback in that a proportion of the new farmers who have managed to gain an agricultural foothold by reason of supplementing their income from oil industry employment and oil lease rentals would suffer a re-

duction in their income from well abandonment and necessarily be required to hold development of their farm holdings.

"The service, maintenance and construction companies now employed in the field would come in for reduced work and thus their total employment picture would suffer.

"By the reduction of employed personnel and decreased agricultural income the retail, service and cultural outlets within the urban commercial sphere will suffer proportionate reduction in their business operations.

"From a high employment locale with minimal drawing on unemployment and social service benefits, the area could go to low employment with much higher drawing on unemployment and social service benefits.

"Experimentation and research for more efficient methods to recover oil from all types of wells in the oilfield could suffer by reason of abandonment of the less productive wells which could very probably provide the best areas for this experimentation and research.

"Finally the urban authority of the Town of Drayton Valley has geared its improvements financing to the needs of an all well economy, to cut this back by the stated 15% could present some payback problems."

"In addition we would put these questions to the Government for their consideration:

"Is the Provincial Government truly being fair and indiscriminatory in their proposal to raise a special tax from the oil industry without also looking for extra revenue from all other industry?

"Does the Provincial Government truly believe this proposal is for the general good of all the peoples of Alberta?

"Does the Provincial Government truly believe that this proposal will prove progressive and benefitting?

"Does the Provincial Government truly believe that this proposal will provide the incentives to spur further oil and gas exploration and subsequent oil discoveries to

enhance the Alberta Oil Industry and general Alberta economy?

"Does the Provincial Government truly believe that the present financial bind is a result of not enough revenue or is it possible it is a result of unnecessary expenditures which can be cut without proving detrimental to the operation of Government or the welfare of the people?"

SUMMARY

"The enactment of this "Natural Resources Revenue Plan" could set up a vicious chain reaction in the Drayton Valley Area. Increased production costs would make present marginal oil producing wells economically unsound and dictate their abandonment. This in turn would directly reduce the numbers of workers required in the operation of the oilfield, and in turn subsidiary services would be reduced thereby relieving more workers from the area.

"All of these reductions in

employment would immediately be felt in the urban business economy and soon in the supply outlets in the larger centres. In addition the agricultural development of the area would suffer from the reduction of supplementary income required to continue its growth, and this in turn would result in less purchasing power for agriculture in the area, as well as set up a retrograde step in the agricultural development could come to a standstill.

"All of which would immeasurably effect the trading economy of the urban commercial outlets in the area and the improvements funding of the Town of Drayton Valley.

"The Town of Drayton Valley strongly recommends that the Provincial Government direct that a full study be made of the ramifications of its "Natural Resources Revenue Plan" as it will effect the peoples and communities reliant - to a larger or lesser degree - on the oil producing industry.

"This study to be made prior to the adoption of any new revenue policy effecting the production of oil in Alberta."

Investigate conditions before entering the water. Swim with a buddy.

Parkland Notebook

DOG OBEDIENCE COURSE

Parkland Regional Recreation in co-operation with the Stony Plain Recreation Department will sponsor a Dog Obedience Course starting Monday, June 5th at 7:00 p.m. at the Stony Plain Arena.

The Course will be held every Monday and Thursday in June from 7:00 - 9:00 p.m. at the Arena.

Any type of dog can be registered. The owner of the dog will train the dog under the supervision and instruction of Robin Squair, Edmonton.

Training leash and choke collar are needed. However, if in doubt what to buy wait until after the first lesson.

Fee for the Course is \$5.00. For registration and information call Parkland Regional Recreation at 777-2211.

PLAYSCHOOL TEACHERS IN-SERVICE

A meeting for Playschool Teachers will be held on Friday, June 2nd at 10:00 a.m. at the Parkland Regional Recreation Office in Stony Plain. It is very important that all Teachers attend this meeting as it will be the last in-service this season.

Please pack all expendable materials and return complete with an inventory list.

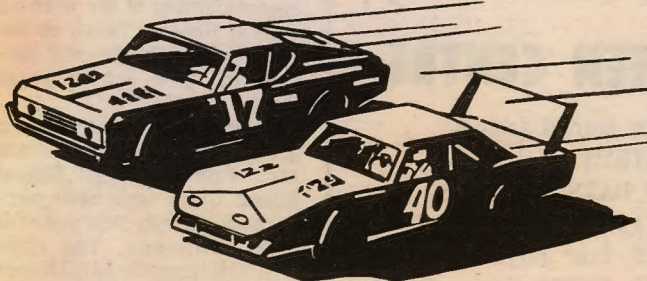

GERMAN CONCERT

A German Concert sponsored by the Parkland Regional Arts Committee and the Edelweis Club is scheduled for Sunday, June 4th from 2:00 - 4:00 p.m. at the Lake Eden Lodge. The Liederkranz singers and the Bavarian Schuhplattlergruppe band and dancers will be performing. Admission: Adults \$1.00. Special invitation to Senior Citizens. Children accompanied by adults are free.

Drama Review '72 to be Presented this Weekend

Jazz dancers in "Kool Kats"

Darcy Carl (l) as the old lady in "Party Time" and Toni Schmidt (r) as one of the brothers in "Joseph"

The Drayton Valley Junior High Drama department now on its third year of activity is ready to tackle its first major production. Drama Review '72 will be presented to the residents of the Drayton Valley area Thursday, June 1st at 8:00 p.m. and Saturday, June 3rd at 8:00 p.m. and closing with a matinee Sunday, June 4th at 2:30 p.m.

Starting three years ago with a small classroom and 25 students the program now includes five classrooms and 125 students. Moving into their new residence, the old high school and now the H.W. Pickup Jr. High, the stage has been a big addition to the program and many modifications and improvements are now being made to it. It is hoped that the new back curtain presently being made will be ready for showtime.

It is felt that the students have put together an entertaining and fast-moving show. Though the curtain rises at 8:00 p.m., there will be pre-show entertainment beginning at 7:40.

The show itself will be composed of 13 numbers of music, dancing and comedy in the following order: Welcome, Party Time, Hello Dolly, Hawaii Five-O, Stage Nine Pop Music, The Beat Goes On, El Capitan, Maxwell's Silver Hammer, School House Gang, Joseph's Amazing Technicolor Dreamcoat and The Chant Finale.

The show will feature such dancers as Kim Davidson, who comes to Drayton Valley from Saskatchewan with several years of training; Krista Hansen, a long time Drayton resident with an abundance of natural talent; Brenda Krueger from Edmonton, who moved here last year with several years of Jazz dance training; and Audry Schmidt and Debbie Daviduk, solo dancers in Joseph's Dreamcoat. These and other dancers have been working throughout the year with their instructor Paul Bradley and assistant Karen Kirkwood and Gerry Thurston.

Also adding greatly to the entertainment of the evening will be Bradley Belva as the escapee and as the shy student in the School House Gang.

The Stage Nine band is a group of performers from Mr. Pierce's High School Music class who have performed already this year for local audiences. The show will also feature April Krueger in Hello Dolly and El Capitan.

Feature presentation will be the production of Joseph's Amazing Technicolor Dreamcoat, a parallel to Jesus Christ Superstar. The composition was written two years previous to Superstar but has just recently become popular. The choreography for the number took roots in director Paul Bradley's mind while attending Drumheller Drama School last summer and even though not completely satisfied he is pleased that the students will be presenting it and hopes the local residents enjoy it.

Costume expense has been high for this initial major show because of the need for dancing outfits, as well as the overall expense of the entire show. Once this base foundation has been met future shows will become less of a financial burden. Money is presently being spent on repainting of the auditorium, the improvement of acoustics, stage curtains, additional and more adequate stage lighting, props and stage equipment. Support of this show

Dale Chenery as Potiphar in "Joseph's Magnificent Technicolor Dreamcoat".

and of the present drama shopping spree raffle will be of great aid in broadening the cultural activities of the youth and of our town.

The costume department has been busy the past number of months under the guidance and leadership of Dale and Ellen Cartwright and Diane Bradley who have put in numerous hours along with parent volunteers, Mrs. Mueller, Mrs. Daviduk and Mrs. Reid.

The lighting of the show is under the guidance of Mr. Roy Omelchuk, a drama enthusiast from Edmonton who joined the Junior High staff this year. The music is being handled by Brent Fraser while his brother David is on the drums. Extra color to the show's entertainment will be provided by Mr. and Mrs. Vern Harrison of the local high school staff, Mr. Harrison being the High School drama instructor.

Come for a night of fine entertainment and be ready to expect anything from the moment you walk in the door until you leave.

Seating will be limited to some extent because the show will be presented on three levels, part of which will include a good portion of the auditorium floor.

Come early and enjoy the pre-show entertainment and remember to book yourself in for one of three performances Thursday, Saturday or Sunday.

SHOW TIMES:

June 1 - 8:00

June 3 - 8:00

June 4 - 2:00

David Fraser (l) as Joseph in the musical "Joseph's Magnificent Technicolor Dreamcoat" and Bradley Belva (r) as Pharoah, King of Egypt.

Wildwood Lodges Install Officers

The Ladies of the Royal Purple joined the Elks in a double installation ceremony Friday evening, May 12th in the Wildwood Hall.

District Deputy Grand Exalted Ruler Bro. Bob Cowan and District Deputy Lady Pempiet assisted by Past District Deputy Grand Exalted Ruler Brother Jensen of Entwistle Lodge and Past Honored Royal Lady Jensen of Entwistle Lodge installed the officers.

OORP officers installed were: Honored Royal Lady, Lady Elaine Reid; Past Honored Royal Lady, Lady Violet Lemeshka; Associate Royal Lady, Lady Violet Jorgensen; Royal Lady, Lady Maxine Baron; Lecturing Lady, Lady Kirsten Wahlge-muth; Secretary, Lady Hazel Winfield; Treasurer, Lady Rose Headon; Historian, Lady Joyce Rayko; Chaplain, Lady June Ite; Conductress, Lady Pat Hurtig; Inner Guard, Lady Marjorie Hatfield; Outer Guard, Lady Dina Kostuik (absent); and Trustees, 1st year Lady Joyce Jorgensen, 2nd year Lady Mary Ann Nikolyuk (absent), and 3rd year Lady Marguirie Walker.

The 1972-73 officers of B.O.P.E. are: Exalted Ruler, Brother Ray Baron; Past Exalted Ruler, Bro. Art Chirn-icki; Leading Knight, Bro. Dave Headon; Loyal Knight, Bro. Sandy Olesuk; Lecturing Knight, Bro. Myron Nik-oloyuk; Secretary-treasurer Bro. Tom Maxwell; Esquire, Bro. Bell Hewins; Chaplain, Bro. Clare Stone; Tyler, Bro. Fred Willets; Inner Guard, Bro. Paul Lemeshka; and Trustees, Bro. Jim Akers, Bro. Gerald Shenfield and Bro. Walter Nikolyuk. Lady Tufty of the Entwistle Lodge Pianist.

The officers were escorted to their stations by the Drill Team with Lady Sar-kissean, Lady McNalley, Lady Karneman and Lady Cowan (Drayton Valley Lodge).

Exalted Ruler Ray Baron thanked the Brother Elks for having faith in him as their leader for the ensuing year. District Deputy Brother Cowan congratulated the new of-ficers of both Lodges and wished them a prosperous year.

District Deputy Lady Daisy Pempiet thanked all those assisting in the installation and congratulated all offi-

ers. Honored Royal Lady Elaine Reid thanked all those assisting and hoped all would help her to make the coming year a prosperous one.

She presented Lady Tufty with a gift in appreciation of her being pianist for the in-stallation. P.E.R. Bro. Art Chernicki and P.H.R. Lady Violet Lemishka thanked all members for the help they received during the past year and for their jewels. D.D.-G.E.R. Elect Bro. Laughy of Hinton Lodge spoke briefly. A social and lunch followed the closing ceremony.

D.V. Lakers Take Basketball Title

The Little Canadian Basket-ball season closed out on May 20th with the Lakers winning the Drayton Valley Community League Champ-ionship. The Lakers won it 71-70 in a two game total point series with the Pistons.

The first game of the series was played on May 13th and resulted in a 45-45 tie. In the second the Lakers finished with a one point edge to win the game 26-25 and carry away the championship for the 1971-72 season. It was a close series, however, the teams were that even all season long with one team taking an edge in a given game and the other turning the tables the next time out. The Pistons were last year's champions.

The Little Canadian Basket-ball Community League has now completed its second year of competition since it was inaugurated in Nov-

ember 1970. During the past season the league program was under the direction of Alan Day. The teams played each Saturday morning during the season. The regular season started in early Nov-ember and closed out at the end of April. All games were played at the new Drayton Valley Elementary School. Despite the fact that a relatively small number of boys participated in this activity, the league featured very keen competition and an excellent season was enjoyed by all concerned. The outstanding individual scoring effort of the season was that of Ron Barker who scored 203 points in ten games during the season.

The Drayton Valley Ath-letic Association wish to thank Alan Day for the ex-cellent work he has done with this basketball program. Also a vote of thanks is ex-tended to the coaches, Brenda Streit, Cheryl Daviduk, Anna Kaarsemaker of the Lakers and Penny Mohn of the Pis-tons.

The Teams: Lakers - Ron Barker, Kim Boles, Dale Howatt, Murray Howatt, Gordon Ceh, Dale Luc and Bob Huber. Coaches were Brenda Streit, Cheryl Daviduk and Anna Kaarsemaker. Pistons - Mark Berlinquette, Ricky Zorn, Ian Cowan, Slade Scoles, Ian Flotre, and Mike Gamble. Coach was Perry Mohn.

NEWS NOTES FROM THE D.A.

Phone Stony Plain 777-2231, 8:30 a.m. - 5:00p.m.
E.C. LOWE TOM BROWN
District Agriculturalist Asst. Dist. Agriculturalist
In Drayton Valley Wednesdays at Sekura Auctions
From 1:00 p.m. to 4:00 p.m.

Several recent fatal acci-dents in the country involv-ing tractors prompted a comment. Reported under the heading of "hit/crushed" this type of accident usually occurs when a tractor is being hooked up to or unhooked from another machine or while the driver is getting on or off the tractor. Roll-ing over on slopes, espec-ially pit silos when not equipped with roll bars; brakes in poor condition are other major causes of in-juries involving tractors.

Too often, children riding along as passengers on tractors fall off and are killed. Other deaths involve children who, unknown to the driver, were near the tractor when it was started. **KEEP CHILDREN AWAY FROM TRACTORS**

Another type of injury that many are not aware of as it takes place over time is due to tractor noise. There is well documented evidence the extended noise exposure causes hearing loss. Manu-facturers have studied and investigated means of reduc-ing noise source. They con-

sider that technical solutions can be developed but there is a cost penalty that will have to be paid by the buy-er. Also, the customer will have to be convinced that a quieter machine does not mean poorer performance.

The maximum allowable noise level in factories is 95 decibels - A measurement of sound. Current informa-tion indicates that tractor noise ranges from 92 to 114 decibels. Noise does not nec-essarily increase with tractor size but increasing the load increases noise. Tract-ors with cabs have greater noise levels. Diesels are noisier than gas models.

There are ways to reduce this noise hazard that deaf-ens drivers - first tempor-arily, then permanently.

Operators can purchase and use ear protectors. Ear muffs, hard shells sealed around the ear with plastic rings containing fluid are hot and uncomfortable but give the most efficient and quick-ly obtained protection pos-sible.

Tractor cab modification (for those that have them)

can be made to reduce noise. Cabs may be insulated with 1" fiberglass covered with vinyl and by foam rubber on the floor. All cracks at corn-ers and around exposed con-trols should be carefully sealed. The insulating value is lost when the cab wind-ows are opened, therefore air conditioning will also have to be considered. Since the exhaust system is the main source of noise, it should be maintained in good condition. An exhaust snubber (large volume muf-fler often used on stationery engines can further reduce the noise level.)

Officers of the Drayton Valley B.P.O.E. for the 1972-73 term: back row, left to right, Ira Haight, Charlie Davies, Fred Galvon, Gill Mitchell, Dave Ponte, Richard Huslage. Front row, left to right, Cecil Koethler, Howard Cathrea, John Suffron, Rudi Mergchel, Arnold Olson. Missing are Publicity Director, Dave Lundberg and Trustees Red Mattoon, Amos Wilson and Ernie Chaput.

Drayton Valley Elks Install 1972 Officers

Drayton Valley B.P.O.E. (Benevolent and Protective Order of the Elks) #391 held installation of officers ceremonies for 1972 May 23rd at the local Elks Hall at 8:00 p.m.

Following introduction of members and guests of the Entwistle Lodge and Drayton Valley O.O.R.P (Order of the Royal Purple) and B.P.O.E., the names of Dr. I. Waugh and E. Edholm were placed on the Elks memorial tablet.

A drill team of eight members of the local O.O.R.P.

assisted Installing Officer District Deputy Grand Exalted Ruler Brother Cowan of Drayton Valley during the ceremonies. Assistant Installing Officers were Past Exalted Ruler (P.E.R.) Bro. Leo Saretzky, P.E.R. Bro. Hubert Forecast, and Past District Deputy Grand Exalted Ruler Bro. Leo Jensen of Entwistle. P.E.R. Bro. Earl Kelly assisted from Drayton Valley Lodge.

Newly installed officers are: Exalted Ruler, John Suffron; Past Exalted Ruler, Howard Cathrea; Leading

Knight, Rudi Merschel; Loyal Knight, Arnold Olson; Lecturing Knight, Cecil Koether; Secretary, Dave Ponte; Publicity Director, Dave Lundberg; Historian, Richard Huslage; Chaplain, Charlie Davies; Esquire, Gil Mitchell; Inner Guard, Ira Haight; Tyler, Fred Galvin; Trustees, Red Mattoon, Amos Wilson, and Ernie Chaput.

A candlelight ceremony by all the members of the Drayton Valley O.O.R.P. followed installation of officers, with social activities closing the evening.

Wildwood News

Sympathy is extended to Mrs. Nora Logan on the passing of her father Mr. Dasch of Leghbridge, a homesteader of the McKay District.

On May 11th several ladies called on Mrs. R. Tindall to celebrate her 79th birthday. The ladies were entertained with bingo games and a lunch

was served.

Mr. and Mrs. M Thyr (Betty Lemp) and Lenora are now living in a lovely mobile home on the lot west of the Luther House.

Senior Citizens don't forget the Royal Purple Day Tea on June 7th at 2:00 p.m. in the Wildwood Hall Annex. Home-baking will be on sale. This Strawberry Tea is for everyone, but the Senior Citizens are treated to this tea by the Ladies of the Royal Purple.

The next meeting of the Agricultural Society will be June 14th at 8:30 p.m. at the School Library.

Now is the time to start planning your entries and floats for the Wildwood Annual Fair to be held August 18th.

Mr. and Mrs. Volker Andereschefski, who were married in Edmonton Satur-

day, left Monday on their honeymoon to Germany. They were accompanied by father Paul Andreschewski of Wildwood.

Welcome to Mr. and Mrs. Hal Whedden and Peggy. Mr. Whedden is the Pool Elevator operator.

Get well wishes go to Mr. Tommy Angus, who is having an operation in Edmonton.

Mr. and Mrs. David Anderson and family of Winnipeg have been visiting parents, Mr. and Mrs. John Anderson, sister, Mrs. Mary Beauchamp, and brother, John (Andy) Anderson, of Wildwood.

Mr. and Mrs. A. Winfield had daughter Peggy and four children of Edmonton visiting them for several days. They also had Benny Brady while his mother is holidaying in England.

Buck Creek News

The lucky winner of a draw made at the Valley Drug in Drayton Valley last week was Joyce Stec. The prize being a fine book, 'Illustrated Atlas of To-day's World.'

The MacDonald families and relatives were at the International Air Port to see Frank Saybel off to visit his mother, brothers and sisters in Czechoslovakia. He will return the middle of June.

Mr. and Mrs. Joe Kiland of Saskatoon are visiting the Regenwetter and Kilan homes for a week.

The Teen Club held its bonfire and outing last Saturday night down by the river and had a wonderful time.

Bev and Peter Maine have returned from B. C. to make their home in this district.

Wayne Rosell finished University this spring and has his results indicating he has his teacher's certificate. Kathy was home for the weekend. She has finished her steno course and is employed with North West Utilities.

Also home for the long weekend to visit his parents was Donnie Regenwetter.

Be fire careful ... help keep Alberta green.

Tree Planting Part Of Ottawa Visit

For the 22nd consecutive year the National Capital Commission and the Rotary

Club of Ottawa have participated in the Adventure in Citizenship program in which Canadian students are provided opportunity to know their National Capital better. For four days in May, 285 students from all parts of Canada met in Ottawa to attend Parliament, to engage in discussions on the functions of government and to enjoy a guided tour of the National Capital Region.

Each year the students taking part in the Adventure in Citizenship program are invited to enter an essay contest sponsored by the Commission. The prize is a bursary towards first year tuition of university.

This year, Mr. Douglas H. Fullerton, Chairman of the National Capital Commission has selected the theme "What my home town can learn from the Capital".

As a token of their participation in the planning and building of the National Capital, the 285 students accompanied by the Honourable Ron Basford, Minister of State for Urban Affairs planted a maple tree which now bears his or her name, along one of the many parkways of the National Capital Region.

For your enjoyment here is another poem. It was written by Janet Belcher. Janet is in grade 6, with Mr. Smealand and Mrs. Letweniuk for teachers.

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Faint rustling
Then quiet.
All is still.
A deathly silence
Aching to be broken
In the valley—
Down the bare steep side of
the mountain.

CRASH
Lightning streaked the sky,
Thunder clapped.
Billowing clouds freed rain
That has been trapped
For hours,
For days.
The crystals fell,
Drumming on the ground.
All was dark,
Like a night with no stars,
No moon - nothing.

A glow -
An orange glow behind
Two purple mountains.
The sun bathed
The valley with
The glory of being alive.
Then
The most wonderful thing of
all
With a promise of
No great flood evermore,
A rainbow.

This past week saw the grade six classes tour the Sundance Power Plant. About 120 children accompanied by their teachers made the trip on two different days. The classes showed much interest in the crane that strips the soil to reveal the coal seams. Some of the children were allowed to enter right into the crane itself. Another point of interest was the suspended furnace that expands downwards to the floor when it is hot. The classes enjoyed a picnic lunch at noon.

Carnwood News

The Carnwood 4-H Cloth Cutters Club held its Achievement Day and Banquet on May 24th at the Carnwood Centre. During the evening Miss Loretta Gerwien was presented with a trophy as last year's efficiency winner by Mr. Clayton Bowen, President of the Carnwood Country Club. Miss Karen Nixon is the efficiency winner for this year. Congratulations girls. Guest speakers for the evening were Mrs. Ward of Lindale, Mrs. Gillespie, Mrs. Barnett, Mr. David Denham, student minister of the United Church. Mrs. Ray Gerwien gave a vote of thanks to Leaders, Assistant Leaders and all concerned on behalf of the parents.

Deepest sympathy from the community is extended to Mr. Harvey Wolfe and family and Mr. Pete Hernberg and family on the loss of wife, mother, and sister.

Mr. and Mrs. Jim Saunders and Edward spent a re-

cent evening at the home of Mr. and Mrs. Del Burr and girls in Edmonton.

Folks don't forget the Farmers Day Picnic and Dance on Friday, June 9th at Lindale Hall. Booth on grounds, ball games, races, etc. Sponsored by Lindale Hall Association and Unifarm 94-49. Draw for \$50.00 at midnight.

Mr. and Mrs. Victor Saunders are spending a well deserved holiday in England they haven't been back in 43 years. The community wishes them a happy holiday.

COUNTY OF PARKLAND NO. 31

INVITATION TO TENDER 1972 ROAD RIGHT-OF-WAY FENCING PROGRAM

Sealed Tenders, addressed to the Public Works Manager, County of Parkland No. 31, Stony Plain, Alberta and marked "Tender: 1972 Road Right-of-Way Fencing Program - County of Parkland" will be received at the office of the County of Parkland, Stony Plain, Alberta until:

2:00 P.M., Friday, June 2, 1972

This program requires the construction of approximately 25 miles of fence within the County of Parkland. The County shall supply and deliver to the site all materials. The Tenderer shall supply all necessary machinery and equipment.

Specifications and tender forms must be obtained from the undersigned at the County office in Stony Plain.

Lowest or any Tender not necessarily accepted.

MR. A.K. CRAIG
Public Works Manager
County of Parkland No. 31
Stony Plain, Alberta
Phone: 777-2231 or 422-0927

FARMHAND'S® BALED HAY SYSTEM— 'NO SWEAT' FROM START TO FINISH!

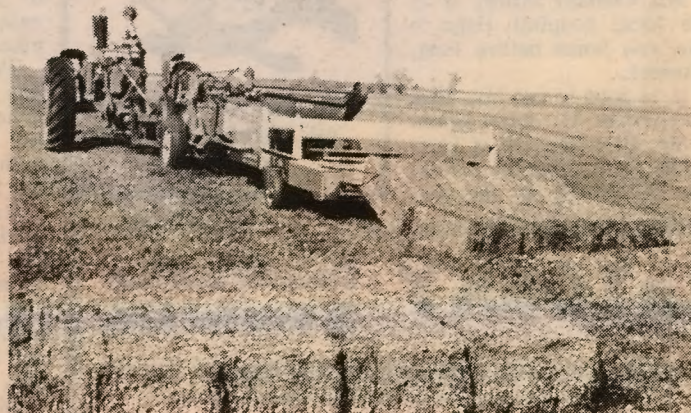

A great way to make big savings in both time and money.

Farmhand's Baled Hay System is based on the following principle: the faster and more efficiently you can get your hay crop cut, baled and stored—the better quality hay you'll have.

The keys to the Farmhand System are the Bale Accumulator and a Farmhand Loader equipped with the Bale Fork.

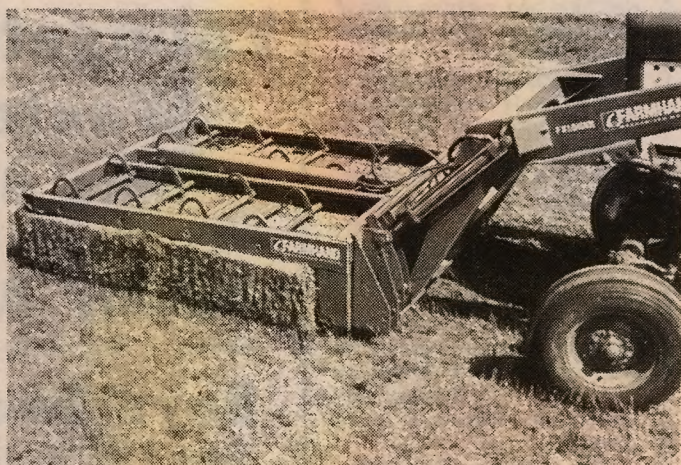

What makes the Farmhand System so attractive is 1) economical equipment costs, 2) no wagons behind your baler, 3) bales are laid out in "packs of 8", 4) you can stack bales high and weather-tight, and 5) there is *no hand labor* involved.

In a 1,000-ton-a-year operation you can put up hay for about \$3.18 per ton. In smaller operations your costs are still extremely low.

A graphic view of the Bale Accumulator in action. Note the tight pack of 8 bales in foreground as another '8 Pack' is being dropped—also ready for pick-up and stacking.

A Farmhand territory manager will be on hand JUNE 7th & 8th to show films and discuss Farmhand bale handling systems. Coffee and doughnuts will be served.

A closer look at the Bale Fork. Unlike others, the Farmhand model grabs all 8 bales (without squeezing them) across the top—not the sides—with two hydraulically operated hooks per bale. This allows you to stack hay tight—leaving no room for water or weather to spoil stacked hay.

With Farmhand, you choose the Loader with the height lift you need: The Farmhand F-10 will stack bales 14 tiers high, the F-11, eleven tiers and the F-21, nine. And it's all done with *no hand labor*.

ONE-MAN HANDLING OF 8-10 BALES AT A TIME WITH AN UNBELIEVABLY LOW MACHINERY INVESTMENT!

This 1-man bale handling system is the perfect example of how Farmhand makes your machinery dollars work harder!

The bale accumulator, hitched to your baler, arranges the bales into neat, tight packs of 8 and the entire pack skids off to the ground. Then you pick up the 8-pack with the unique Farmhand bale fork. It grabs the pack from the top with two hydraulically operated hooks per bale.

What could be simpler? Accumulator and fork, plus an *all-purpose* Farmhand loader (F10, F11, F21, F27, Ranch Hand) - a 1-man system with rock-bottom dollar investment!

D.V. Highlights

BY MRS. EDITH DEBY

Members of the W.I. wish to thank all those who patronized the bake and plant sale on Saturday. The money raised will go towards meeting the expenses of the annual flower show to be held this year on August 23rd.

From Ontario comes the word that Mrs. Doris Kerr is very seriously ill. Mrs. Kerr had lived here for some years before going to make her home in the east and her many friends will be thinking of her and her children at this time.

Mr. and Mrs. Harvey Pederson say that they cannot face another Alberta winter and will be leaving soon to make their home in Victoria, B. C. It was Mrs. Pederson who opened the Lemon Tree and gave the very popular craft classes. Good-bye and good luck to the Pedersons.

Mr. Chris Reich was rushed to University Hospital last week for emergency surgery. Best wishes for an early and complete recovery, Mr. Reich.

Mr. Huston, Library Consultant for small libraries, was in town last week. Mr. Huston had many helpful suggestions. Among others was the one that the library needed much larger premises.

Mr. Chester Miller is in the local hospital. Hope to see you home before long, Chester.

It is good to see Mr. John MacKenzie Sr. about again.

Mr. Gary Hogarth, of Tawassen, B. C., has been visiting his family for the past

two weeks.

Congratulations to Mr. and Mrs. Dennis Ensminger on the arrival of a fine son. The newcomer has been named Gregory Chad.

The Lions Rodeo will be held this year on June 10th and 11th.

Erick Erickson, son of Mr. and Mrs. Arvett Erickson will leave July 13th for six weeks in Sweden. He will visit relatives there and hopes to perfect his Swedish.

Soccer Anyone?

The Drayton Valley Recreation Office reports that anyone wishing to play soccer this season is asked to go to the West Valley football field every Thursday at 7:30 p.m.

KNOW YOUR SCHOOLS

This "question and answer" column provides an opportunity for citizens to ask questions about education. If you have a question concerning the schools you are encouraged to send it to "Know Your Schools?" P.O. Box 777, Stony Plain, Alberta.

QUESTION

Are religious exercises and classes in religious education allowed in Alberta schools?

ANSWER

When public education systems were first set up, religious exercises and instruction were left to the discretion of the trustees in the local community, and provincial governments generally abstained from prescribing religious exercises and related teachings. Today religious exercises and teachings may be carried on within the bounds of the permissive legislation as provided in The School Act.

Section 151 of The School Act states that a School Committee may "(a) prescribe religious exercises for pupils in its schools, and (b) permit religious instruction for pupils in school." The County of Parkland has adopted the following statement of policy and regulation in relation to religious exercises:

Policy--Religious exercises are permitted in the school at the discretion of the Principal and staff, not withstanding Section 154 of the School Act 1970.

Regulation--Religious exercises shall consist of: (a) one minute of silent prayer or meditation, or (b) recitation of the Lord's Prayer, and/or (c) a reading, without comment, from The Bible.

At a recent meeting the School Committee approved in principle the offering of

Report School Progress

Construction on the Grand Trunk High School at Evansburg in the past two weeks has progressed to a point where the masonry work is completed with the exception of the Gymnasium. The final patching and rubbing down of the masonry also remains to be completed.

The erection of the structural steel is completed with the exception of the main entrance columns and final welding of the bearing plates. The steel deck is completed on the entire south section and the balance of the steel deck (excluding the gym) were to follow.

The roofing contractor has started roofing operations and to date have completed the areas over Home Economics and Industrial Arts areas.

The General Contractor has formed and poured the structural floor slabs to gym mezzanine and fan room and has also formed and poured the gym stairs. The General Contractor is now preparing to pour the concrete floors and arrangements for compaction tests prior to the pouring of concrete have been made.

The electrical and mechanical contractors are keeping up with the pace of the project.

Learn to swim this summer.

religious education classes on a pilot-project basis. A limited number of Grade 5 pupils will participate in the classes after the consent of parents is obtained. The project is being planned by the Ministerial Association and is expected to begin next November.

QUESTION

Can a child be legally compelled to receive religious instruction or participate in religious exercises to which the parent or guardian may object?

ANSWER

In a public school a child cannot be legally compelled

to receive religious instruction or to participate in exercises to which his parents object. Further, a non-participating child must not be deprived of any advantage that the school may offer through regular instructional classes. Section 154 of The School Act states that "upon receipt by a teacher of a written statement signed by a parent requesting that a pupil be excluded from religious or patriotic exercises or instruction, or both, the pupil shall be permitted to leave the classroom or may be permitted to remain without taking part." In addition, the Act states that "no teacher, trustee, inspector or superintendent, shall attempt in any way to deprive a pupil who attends a school in which religious instruction is given and who does not take part in that instruction, of any advantage that he might derive from the ordinary education given in the school."

Sunday School Registration

Registration for St. Anthony's Sunday School classes commencing in September, 1972 will take place May 31st to June 7th. Pre-schoolers aged 4 1/2 to 5 years are eligible. Call Mrs. Natalie Edwards at 542-3470.

VILLAGE OF ENTWISTLE NOTICE OF PUBLIC HEARING

The Council of the Village of Entwistle, under authority of Section 119 of the Planning Act, as amended, to control development within the boundaries of the Village of Entwistle by zoning will hold a public meeting.

The Council proposes to pass a By-law for the purpose of amending By-law No. 176, being the Building and Zoning By-law of the Village of Entwistle authorizing the rezoning of Lots 1 and 2, Block 24, Plan 6578NY, in the S.E. 1/4 20-53-7-5 from C3-Commercial-Highway to M1-Light Industrial.

The proposed By-law may be examined between the hours of 1 o'clock p.m. to 5 o'clock p.m. at the office of the Secretary, Village of Entwistle.

The public hearing will be held in the Village Office on the 19th day of June, 1972 commencing at 7:30 p.m.

Written objections to the proposed By-law will be received at this office until Friday, June 16, 1972. Objections submitted in writing prior to the meeting will be discussed before further oral presentations will be recognized.

A. BURKE
Secretary-Treasurer

Entwistle, Alberta

Drayton Takes Second In Hinton Meet

At 6:00 a.m. Wednesday, May 24th, 38 hopefuls journeyed to Hinton for the regional track meet. The Drayton team was comprised of Separate School, Junior High and Senior High competitors.

Despite extreme weather conditions (would you believe snow and rain?) our athletes proved themselves fine examples of sportsmanship and determination. At the end of a very long day the Drayton total was 219. We proved a very strong second to Edson whose contingent was 85 competitors. We massed most of our points in the Senior High section and brought home the Senior Boys Aggregate trophy by Larry Wall; Intermediate Boys trophy by Barry Argent, Junior Boys trophy by Dean Samis, Senior Girls trophy shared by Cheryl Daviduk, Debbie Reid, Colleen Bengston. Barry Argent won the top Male Athlete

award. Because of the tie in the Senior Girls Division no Female top athlete was declared.

When the final results were in, 16 out of 25 Senior High competitors from Drayton Valley would represent the County of Parkland in the zone track meet Saturday, May 27th.

While there were many disappointments on Wednesday there were many athletes who conquered the weather and gave personal best efforts.

These youngsters deserve a great deal of credit for they brought home 33 first, 9 second and 11 third place ribbons. What a 20 day was last Wednesday!!

The coaches wish to extend many thanks to the parents who ventured out at 6:00 a.m. providing transportation, Mr. Daviduk, Mr. Hutton, Mr. Boulter, Mrs. Samis and Mr. Coppens, and

those who greeted us at midnight, Zorns, Lathes, Tuckers, Reids, Bengstons, Karsmakers, and Mr. Haydey. Thanks for your support.

On Saturday, May 27th our team of 15 left for Centennial Park to compete in the Zone Track Meet. The competition was stiff in many events, but our athletes gave their best. The County of Parkland was very strong falling about 10 points short of Pembina and again had to take second seat for the Zone Trophy.

Once again the Drayton squad did themselves proud, this time accumulating 13 first place ribbons. Seven of our local athletes will represent the North Central Zone in the Provincial Track Meet in Edmonton June 2nd and 3rd. Those to go are Debbie Reid, Colleen Bengston, Cheryl Daviduk, Milt Tucker, Dean Samis, Larry Wall, Gerald Dusterhoff.

Berrymoor News

Mr. and Mrs. Lester Cropley, Mr. and Mrs. David Laughlin and Tammy and Lorraine, Mrs. Ruth Berry and Mr. and Mrs. Donald Martin were among the folks from this area who attended the wedding of Miss Emily Joneson and Mr. Wayne Griffin in Edmonton on May 20th. Sincere best wishes go out to this young couple. They are both members of Canada's armed forces and their wedding, reception and dance took place at CFB in Edmonton.

Sincere sympathy is extended to all members of the family of the late Mrs. Elsie Wolf, who passed away recently. Funeral services were held at the Lindale Hall on May 26th with interment following in the Lindale cemetery.

Mrs. L. Thorsen and boys of Calgary spent the holiday weekend at the home of

Mr. and Mrs. Brian Thorsen of Berrymoor.

The Lindale Hall Association and the Unifarm local have planned a picnic and dance to be held at the hall on Farmer's Day, June 9th. This is the first picnic of the current season and a good turn out is hoped for.

The boys baseball teams from the Lindale School are making the Lindale Hall grounds a very active and busy place most of the week-day evenings. These youngsters and their coaches are really putting forth a real effort to make this venture a success. A big bouquet is due to all who organized these teams, got them entered in a league, and are doing all the work that is necessary for a project of this kind. Best

wishes and good luck to all concerned.

The annual Lindale School track meet was held on Friday, May 26th. At the time of writing we do not have any of the results.

The Berrymoor gas plant proved to be too noisy to allow the local women's softball team to hold their practices and games on the grounds adjoining it. The team now plans to practice at the Lindale Hall grounds each Wednesday evening.

Get well wishes to Calvin Dahlgren who is a patient in the University Hospital in Edmonton.

Whitby News

Joe and Carol Kelly have moved in Earl and Ella's house on the farm.

Long weekend visitors to Rudolph and Rosie Dusterhoff's were Rosie's sister Dora Albrecht and Bruce of Stony Plain. Also Rosie's dad Mr. Schwindt of Spruce Grove.

Luella, Hugh, Judy and Kenny Scott of Cochrane were visiting at Irene and Earl Siebels for the long weekend. Also on Sunday there was Fred and Gladys Schadeck, Margaret and Wilf Sikora of Edmonton and boys; Marilyn and Jackie Worden and family, Secondo Pezzot, June Prevost and Bev and Ron Prevost.

Dale Davidson of Edmon-

ton was out to visit with Joe and Carol Kelly. Also Mr. and Mrs. George Davidson.

A shower was held in the Whitby Community Hall for Connie Hagen and Ken Dusterhoff last Saturday. They received many lovely gifts for which Ken and Connie thanked everyone. There was a real nice turn out and everyone reported a good time.

Last Sunday was a big day at the Sullivan farm. Rounding up the cattle and branding. A big barbeque dinner was enjoyed by everyone.

Don't forget bingo on June 8th at Whitby Hall. Members don't forget the meeting on Sunday, June 4th.

Lands Big Pickerel

This happy young fisherman is 14-year-old Laurent Gascon who took the big pickerel he is holding at Bear Creek last Friday. The fish, eleven pounds, ten ounces, was taken on a Red Devil by Laurent who was fishing with his brother Clem at the culvert above the junction of Bear Creek and the Pembina River.

Supper to End Season

The last monthly meeting of the Hospital Auxiliary was held May 11th in the Nurse's Residence with seven members present.

The Dr. Waugh Memorial Fund is still open for anyone who would like to donate, donations should be sent to the President of the Auxiliary.

Plans were made to have another bake sale on June 2nd. Flowers were placed on mother's trays in the hospital on Mother's Day. The spoon, donated annually to the baby born on Florence Nightingale Day, was presented to Marie, daughter of Mr. and Mrs. Frank Cox.

As our next meeting is the last one of the season, it was decided to have a pot luck supper and invite delegates from other Auxiliaries to attend. Our next meeting will be held June 8th and our next work party will be June 22nd. For more information please call 542-3252.

Lariat Club Holds First Gymkhana

The Lariat Gymkhana Club held its first gymkhana of the season on Sunday, May 21st.

The results were as follows: Ladies' Events: Barrels, first, Corinne Dix; second Ann Crawford; and third, Mary Lauer. Stakes - Corinne Dix, Mary Lauer, Sandy Guze; Poles - Corinne Dix, Mary Lauer, Sandy Guze; Flags - Corinne Dix, Sandy Guze, Ann Crawford; and Novelty - Mary Lauer, Sandy Guze, Ann Crawford.

Men's Events: Barrels - Ed Lauer, Joe Crawford, John Brooks; Stakes - Ed Lauer, John Brooks, Jerry Brooks; Poles - John Brooks, Ed Lauer, Jerry Brooks; Flags - Ed Lauer, John Brooks, Jerry Brooks; and Novelty - Ed Lauer, Joe Crawford, Jerry Brooks.

Intermediate Events: Barrels - Ron Reich, Dale Guze, Edwina Lauer; Stakes - Dale Guze, Ray Duperron, Edwina

Lauer; Poles - Ron Reich, Ray Duperron, Kevin Kjolien; Flags - Ron Reich, Dale Guze, Kevin Kjolien; and Novelty - Edwina Lauer, Ray Duperron, Kevin Kjolien.

Junior Events: Barrels - Murray Reich, Eddie Lauer, Melvin Lauer; Stakes - Eddie Lauer, Larry Brooks, Melvin Lauer; Poles - Eddie Lauer, Larry Brooks; Key-

hole - Eddie Lauer, Melvin Lauer, Arlene Lauer; and Novelty - Eddie Lauer, Murray Reich, Arlene Lauer.

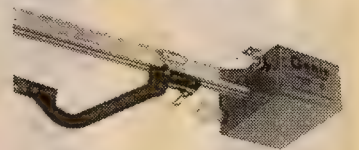

The next gymkhana will be held Sunday, June 4th at 2:00 p.m.

Fallis News

Ann, Dan, Melodee Lubarski from Edson were down to visit with Mr. and Mrs. McCulloch and Penny last week.

Deepest sympathy is extended to the immediate family of Mr. Gus Pilatski who passed away on Saturday at the Stony Plain Senior Citizens Home. Gus was one of the last old-timers of Fallis. While he lived at Fallis he was a very generous man and did many kindnesses for the people of the community of Fallis. Funeral services were held in the Fallis Community Hall Thursday, May 25th.

A rummage sale was held at the Fallis Community Hall on May 27th sponsored by the Community Club Association.

The regular Fallis Community Association bingo was held in the community hall on May 26th commencing at 8:00 sharp with two jackpots eligible to anyone who can win them. The next bingo will be on June 9th. Hope to be seeing you there.

Miss Frances Douglas from Edmonton visited her aunt, Mrs. Fell over the weekend.

Mrs. J. Tourangeau from Wabamun was the lucky winner of the bonus jackpot on the tenth game of bingo at the May 12th community bingo.

A shower for Mrs. Myrall Harsh of Sexsmith (nee Linda Congo of Fallis) was held in the Fallis Community Hall on May 24th at 8:00 in the evening. A very delicious lunch was served and the bride thanked everyone for the lovely gifts and for attending.

Mr. and Mrs. Ken Williams and family from St. Albert visited with Mrs. Betty McDonald over the May 14th weekend.

Get well wishes are extended to Mrs. Bernie Yates and Mrs. Mashtaler who are both down with colds. Hope you are both feeling much better soon, ladies.

A tupperware party was held at the home of Mrs. McCulloch with Penny as hostess and demonstrating on May 23rd at 7:30.

The last classes of crocheting and sewing were held in the community hall on Wednesday and Thursday of two weeks ago.

VILLAGE OF ENTWISTLE NOTICE OF CORRECTION

The Public Meeting re Amendments to the Building and Zoning By-law, Village of Entwistle, which was advertised in the May 24th issue of The Western Review for Monday, June 12, 1972 was in error. The Public Meeting will be held Monday, June 19, 1972.

Drayton In Dark

Drayton Valley residents experienced power failure Monday, May 29th when a tree fell on the main line southwest of town.

The entire town felt the effects of the blackout from 3 to 4:30 p.m. while Calgary Power attempted to fix the damaged line.

Tomahawk News

The Tomahawk Ladies Aid met at Adele Stienke's on Thursday, May 25th with eleven ladies present, two of which were guests, Mrs. Schoepp and Mrs. Fetting. The study topic is the book of Acts. Thanks to Dorothy Wedman for cleaning the church in May. A lovely lunch was served after the meeting. There will be no Sunday School in June, July and August. A red altar curtain and twelve hymnals were given to the church by the Stienke family in memory of Mr. and Mrs. August Stienke. The next Ladies Aid will be at the home of Dorothy Wedman's.

On Monday, May 22nd the Tomahawk Beavers played ball and won at Wildwood 27 - 13.

They also played Entwistle on May 24th at Tomahawk and won 23 - 16.

On Thursday, May 25th the girls played at Wildwood and lost and the ladies team played at Tomahawk against the Drayton Valley High School and won 19 - 14.

Weekly Livestock Report

SUMMARY

Due to the short holiday week and daily rain throughout most of the market area, receipts were below average. Offerings were mostly fleshy heavier feeder steers along with some increase in slaughter classes, stock calf offerings continue the seasonal decline. Trade was active and strong throughout the week in all classes. Slaughter steers sold strong to 25 higher, closing sales to 37.20. Butcher heifers and cows 50 to 75 higher. Bulls steady. Replacement prices fully steady to strong.

Moon Lake News

Congratulations to the children from the community who won awards at the Entwistle School Awards Day. They are Pat Romanchuck, Agnes Sawatsky and Linda Starling, Citizenship Award; Laura Catt, grade 9 Science; Roger Scheeler, grade 8 Social Studies; Janice Land, grade 8 Science; Cynthia Catt, grade 7 Language Arts; Margaret Banks, grade 7 Science; Shirley Roman-chuck, grade 7 Social Studies; Lori Carnegie, grade 6 Math; and Wendy Moroz, grade 6 Top Student Award.

Clara Bush is back after a two week stay visiting with friends and relatives in Ontario and Quebec.

Visitors for the long weekend at the home of Mr. and Mrs. Bill Cherrington were their daughter Helen Karvonen and her family of Grand Prairie.

Visiting at the home of Mr. and Mrs. Don Cherrington for the long weekend were Leona and Lloyd Redlinger and family of Cold Lake and Donna and Rod Block of Swan Hills.

Lindale News

Sympathy of the community goes out to the family of the late Elsie (nee Hernberg) Wolf, who passed away suddenly, May 19th. The funeral was held in Lindale Hall on May 26th with burial in Lindale cemetery.

Among the visitors to this area over the long weekend, were Lawrence and Diana Nixon, Tom, Marie and Christopher Bijou, and Joe and Janice Bijeau. Archie and Midge Holmgren, from B. C. were visiting at the home of his brother, Norman Holmgren. Bruce and Karren Hutchinson and family visited his uncle, Russell Hutchinson, Saturday afternoon.

May Bijou returned home from hospital on Friday, May 19th feeling much better.

David Torbett is spending a few days at home visiting his mother, Mrs. Eva McKeag and his brother John.

The grades seven and eight students at Lindale School are sponsoring car, truck or bus washes during the noon hour until June 2nd to raise money for a field trip.

100 To Attend Rural Youth Seminar

Edmonton's Northern Alberta Institute of Technology will be "home" to 100 youthful rural Albertans attending the July 16 - 21 Rural Youth Seminar held in conjunction with the capital city's Klondike Days Exposition.

The Seminar, sponsored by the Edmonton Exhibition Association, the Federal Department of Agriculture, and the Alberta Wheat Pool, will be supervised by the Alberta Department of Culture, Youth and Recreation. Candidates must be from farms, towns or villages north of Red Deer and must be 15 - 21 years old. Only expense to successful applicants will be for transportation to and from the city.

Applications for attendance at the seminar now are being accepted by the Exhibition Association. Preference will be given to young people who have not previously attended a seminar, but previous attendance will not disqualify an applicant. Final date for receipt of ap-

plications is June 26th.

Seminar members will register Sunday afternoon, July 16. Special events lined up for the program include taking part in group discussions, sports activities and visiting points of interest in Edmonton. Those attending the seminar will see the K-Days Exposition parade and receive complimentary reserved tickets to Exhibition Grounds attractions.

Two \$100 Edmonton Rotary Club scholarships, based on seminar achievements, will be shared by the boys' and girls' divisions. These awards are tenable at either the Olds, Vermilion or Fair-

view Vocational Schools, or any other college or university of recognized standing.

The Alberta Wheat Pool will sponsor the seminar group at a banquet Thursday, July 20, opening day of the Exposition. The seminar will conclude Friday morning.

Other events of interest to the youth would be the Edmonton District 4H Calf Club Show and Sale, July 17 and 18, and a Junior Dairy Calf Show on July 20. A Junior Exhibitor's banquet in connection with the beef club show is planned for July 18, while the dairy show banquet will follow on July 20.

VILLAGE OF ENTWISTLE NOTICE OF PUBLIC HEARING

The Council of the Village of Entwistle, under authority of Section 119 of the Planning Act, as amended, to control development within the boundaries of the Village of Entwistle by zoning, will hold a public meeting.

The Council proposes to pass a By-law for the purpose of amending By-law No. 176, being the Building and Zoning By-law of the Village of Entwistle, authorizing the use of R1 - SINGLE FAMILY RESIDENTIAL properties for Mobile Home development.

The proposed By-law may be examined between the hours of 1 o'clock p.m. to 5 o'clock p.m. at the office of the Secretary, Village of Entwistle.

The public hearing will be held in the Village Office on the 19th day of June 1972 commencing at 7:30 p.m.

Written objections to the proposed By-law will be received at this office until Friday, June 16, 1972, and will be discussed before oral presentations will be recognized.

A. BURKE
Secretary-Treasurer

Entwistle, Alberta
May 24, 1972

COUNTY OF PARKLAND NO. 31 NOTICE OF INTENTION TO CLOSE PORTIONS OF HIGHWAY AS HEREINAFTER DESCRIBED

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of the Council to pass a By-law to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

All that portion of regular road allowance situated between the North-East quarter of Section Twenty (20) and the North-West quarter of Section Twenty-one (21) Township Fifty One (51) Range Three (3) West of the Fifth Meridian.

Reserving Thereout all Mines and Minerals.

Plan showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours Monday to Friday inclusive until 5:00 o'clock Friday, the 16th day of June, A.D. 1972.

Any person who claims that his land will be injuriously affected by the passing of the said By-law and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 5:00 o'clock p.m. on Friday, the 16th day of June, 1972.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers at 10:00 o'clock A.M. on Thursday, the 22nd day of June, 1972 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said By-law, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 22nd day of June, 1972 then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity of being heard at the said subsequent meeting.

DATED at Stony Plain, this 12th day of May, 1972.

O. W. SHUSTER
Secretary-Treasurer

WEDNESDAY, MAY 31
FARM SUPPLY CENTRE **SPRUCE GROVE**

Summary Regular Meeting Parkland School Committee

Regular meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Tuesday, May 16. Minutes as recorded by the Assistant Secretary-Treasurer but not officially adopted by the School Committee.

Present were Messrs. George Mann, L.N. Miller, Ivan Vowk, R.A. Bailey, J. W. Fuhr, Maurice McCullagh, Mrs. A.C. Kritzing, Mrs. E.P. Howery and Mrs. Amelia Clark, School Committee members, also Mr. M. Holman, Superintendent of Schools and A.W. Boychuk, Assistant Secretary-Treasurer.

It was moved and carried that all School Committee meetings be opened with a short prayer.

It was moved and carried that the minutes of the last meeting be adopted as read.

COMMUNITY USE OF SCHOOLS

A proposed joint use agreement with the Tomahawk and District Club was presented to the School Committee for consideration. This agreement was reviewed carefully and some changes were suggested.

The Superintendent was delegated to meet with the Tomahawk and District Club to review this agreement again and to bring back a final draft for School Committee approval.

Discussion took place on questions raised by High School students during meetings with Student's Union Executives last December.

Notice was served that the following notice of motion be brought to the June 20 meeting. Policy: "Smoking will be permitted in designated areas in the High Schools." Regulation: "The principal in consultation with administration may designate certain areas where smoking may be permitted."

Mr. Peter Bakker now came to the meeting.

The School Committee was advised that the deadline for resolutions for the A.S.T.A. Annual Convention in November is June 30, 1972.

Resolutions received after June 30th will be considered Emergent and will have to be processed as such at the convention.

REQUEST FOR SURVEY

It was moved and carried that the Department of Education be requested to conduct a survey of the school facilities in the County to ascertain the capacity of existing buildings to accommodate the pupils who are to be enrolled as of September, 1972. Further, to examine the existing high school facilities and assess the programs which are presently offered.

A committee consisting of Rev. John A. Rushton, Rev. W.H. Steele and Mr. A.R. Myhre came to see the School Committee regarding religious education in schools.

It was moved and carried that the School Committee of the County of Parkland approve, in principle, the offering of religious studies in the schools as proposed by the Committee on Religious Education, Stony Plain-Spruce Grove and Drayton Valley Ministerial.

It was moved and carried that Notice of Motion to be brought up at the first meeting in July that school classes be opened every morning with a short prayer and that the Ministerial Association be contacted for assistance in implementing this policy.

It was moved and carried that Mr. M. Holman be nominated for Life Membership in the Alberta School Trustees' Association.

It was moved and carried that the Proposed Changes to the Policy Handbook by the Principals' Association be accepted for information.

DISABILITIES CLASSROOMS

Mr. N.W. McDowell reported that two learning disabilities are operating in Stony Plain in which about 70 students receive assistance. These two classrooms are receiving financial support from the Provincial Foundation Program and the results have been very gratifying. Mr. McDowell's interesting presentation was discussed at great length.

It was moved and carried that Mr. McDowell's reports be accepted for information.

OFFERING OF SCHOOL BUS ROUTES

It was moved and carried that the two bus routes that

were advertised as follows: Route No. 303--previously serviced by Mr. Clarence Berndt to Mr. Lee J. Hansen. Route No. 902--previously serviced by Mr. E.W. Hennig to Mr. Leonard A. Knebel.

The following tenders for the addition to the school repair shop were received: Shaul Construction Ltd.--\$14,600.00; Beaver Lumber Co. Ltd.--\$15,100.00; and Rio Vista Homes Ltd.--\$15,500.00.

It was moved and carried that the tender of the Shaul Construction Ltd. in the amount of \$14,600.00 for the addition to the school maintenance shop be accepted.

COUNTY SWIM PROGRAM

It was moved and carried that the School Committee approve the swimming program to be held in the County during the summer months sponsored by Regional Rec-

reation providing there is no cost to the School Committee.

It was moved and carried that the Superintendent's report be accepted.

It was moved and carried that the next school committee meeting be held Thursday, June 1, 1972.

It was moved and carried that Mrs. E.P. Howery be authorized to attend the Collective Bargaining Seminar in Calgary June 10 and 11.

It was moved and carried that Mr. George Mann be authorized to attend the School Short Course and Trustees Seminar in Banff on June 8 to June 10, inclusive.

HIGH SCHOOL SITE SPRUCE GROVE

It was reported to the School Committee that because of previous dedications there is not sufficient land available in Spruce Grove for a high school site. An additional six acres or more would have to be purchased by the School Committee for about \$15,000.00 and that there would be a charge to the County, of up to \$90,000.00 for frontage services to this property if

AIR CADET NEWS

The 1972 Annual Inspection will take place in the Centennial Arena at 7:00 p.m. June 8th (Cadets to be on parade at 1845 hours). This will be followed by the Annual combined Parent-Cadet and Awards Dinner in the Legion Hall.

All parents, past and present officers and wives, past and present Civilian Committee members and wives or husbands and any interested persons are cordially invited to attend this function. The charge for dinner is \$1.50 per plate, Air Cadets free. Come out and support the Drayton Valley Royal Canadian Air Cadet Squad-

ron on this occasion.

There will be various speakers on hand along with Annual Reports on Squadron operations over last year and projected future plans. Awards and promotions will also be presented to deserving Cadets at this function. This is the Cadet Parade of the year and a 100% attendance of Cadets is expected. If they look and act their best the 733 Squadron may win the "Most Improved Squadron" trophy for 1971-72.

Summer camp at CFB Penhold July 10th - nine cadets will go. Invitation from 2508 R.C. Army Cadet Corp. for four Air Cadets to accompany them to Camp Wainwright June 2nd - 4th. Glider will be in Drayton Valley September 10th for cadet familiarization flights. Parade June 1st at 1900 hours at Centennial Arena in civilian clothes for Annual Inspection rehearsal and to allow opportunity to get uniforms cleaned.

ATTENTION OLD AGE PENSIONERS

GUARANTEED MINIMUM INCOME LEVELS HAVE BEEN RAISED

to \$150 monthly (single pensioners)
and to \$285 monthly (married pensioners)

AND...IF THE COST OF LIVING GOES UP...SO WILL PENSIONS

- ☐ pensions and pension supplements have been increased back to last January to reflect increases in the cost of living . . .
- ☐ in future, if living costs rise, these benefits will be adjusted accordingly each April . . .
- ☐ all of the 1.8 million pensioners will have their pension and supplement fully adjusted for changes in the cost of living . . .
- ☐ 1 million aged 65 and over (about 60% of old age pensioners) will receive increases in either their maximum or partial supplement benefits . . .
- ☐ an additional 100,000 pensioners will be entitled to the supplement for the first time because of higher allowable income.

Those who may qualify for supplements

All those receiving only the basic Old Age Security pension will receive **during July** informational material and a Supplement

Application Form to assist them in determining whether they are now entitled to the supplement.

Your old age security pension

Your **May cheque** will not include the increase.

Your **June cheque** will include:

Back payments—January to May	\$14.40
New rate of regular monthly cheque	82.88
Total to be paid in June only	\$97.28

Your old age pension and supplement

Those who are receiving maximum benefits under the combined Old Age Security and Guaranteed Income Supplement will be entitled to \$150 for a single person or a married person whose

husband or wife is not a pensioner and \$285 for a married couple where both are pensioners—\$142.50 each.

Those who are now receiving a **partial supplement** will also receive the same amount of adjustment, but not the new maximum benefits noted above.

Your **May cheque** will **not** include the increase.

Your **June cheque** will be at the new rate and will also include the back payments to last January.

Need More Information?

Additional information will be mailed to all pensioners in mid-June. Information is also available from the Regional Old Age Security Office in the capital city of your province.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at Edmonton, Alberta, this 28th day of April, 1972.

A. W. MORRISON, Deputy Minister.

HART CANTELON

Dear Mr. Cantelon:

My parents have suggested that I write you and ask your opinion about a certain problem. I am 16 years old and their daughter. My parents are aware of the fact that I smoke, yet will not allow me to smoke in front of them. They are also aware of the fact that I smoke in my bedroom, but do not like the idea of my being in the bedroom all the time. My father said that he was not allowed to smoke in front of his father until he was 21, when he came back from overseas. I have tried to explain to him that times have changed and that it is not important to me how old he was when he was allowed to smoke. I can afford to buy my own cigarettes, as I have an allowance of \$2.00 a week and I also do quite a bit of babysitting, so it would not be as though they would have to buy them for me.

I think that it would be a lot better for me to smoke in front of them, because I'd feel that I wasn't hiding anything from them. All my friends are allowed to smoke at home, and I get really embarrassed when I tell them that I'm not allowed to. Please answer my letter, as your opinion means a lot to me. Thank you in advance.

Signed: A Teenager

Dear Teenager:

Basically, I believe that you are correct in your assumption regarding your parents' attitude. If your parents have accepted the fact that you do smoke, then that permission ought to include smoking in the home. However, I do feel that they have accepted this habit in your life rather reluctantly. If this is the case, then they may feel that any way in which they might help discourage this habit of yours would be better in the long-run. So rather than give complete sanction to what you're doing, by permitting you the privilege of smoking in front of them, as an adult, they have determined the conditions under which you are to smoke. You, see, it is one thing for parents to accept outright an action of a teenager, it is quite another thing for them to approve it.

Dear Mr. Cantelon:

Our daughter is thinking of getting married to someone she has not know very long. All I know is that he is of a different culture and is divorced. She is 20, but has never gone steady with anyone. I don't want to give the impression that he is no good, as he could very well be just the opposite. But shouldn't someone talk with her and at least tell her to wait for awhile until they know each other better. I do not know anyone to whom I might refer this problem. I think she would go, if I could name some one. I'm worried about her as she went with one fellow that was married, and now she has taken up with this new relationship. She sounds so mixed up, and I am sure she needs counselling, but how do I go about it. If you tell me just to leave her alone I will, but she has me worried.

Signed: A Concerned Mother

nearest you will be pleased to give her help. Ask her if you may make the arrangements and don't let her flounder any more. If, after counselling, she is set on this new relationship, let her make that decision.

Dear Concerned Mother:

No one, even under the most normal circumstances, should ever get married without counselling. I hope the day comes when no marriage license will be granted a couple until they have shown proof of counselling prior to marriage. Any counselling agency in the City

Oval Opens Sunday

Stock car races will open the Triple B Oval Sunday, June 4th for the racing season, with the time trials at 1:00 and races starting at 2:00 p.m.

Although races were held the Victoria Day weekend, this will be the official opening. In conjunction with the opening, there will be a raffle on a power saw.

The track is located five miles west and one mile north of L.B. Motors. Children under 12 years of age are admitted free.

Don't buy us because we're number one.

Buy us for the reasons that make us number one.

Anybody can make a truck small. That's not the problem. The secret is building a truck that's just exactly small enough. Big enough to do the job, and then some. Small enough to do it economically. That's what's made the Datsun North America's number one selling small truck.

Nobody knows small trucks like Datsun

For eleven years, we've been learning about exactly what America wants in a small truck. And we've been delivering it. The Datsun Pickup has an overhead cam engine powerful enough for highway speeds and back road hauling, small enough for maximum economy. The big six-foot all-steel load box is just the right size for 9 out of 10 small truck owners. The 1,400-pound gross load capacity is perfect for almost everyone's needs, from recreation to heavy labor. Is it any wonder Datsun is North America's number one selling small truck?

Possible Crops For Alberta

Have Alberta farmers been missing the boat by not examining the possibilities of growing peas, beans and related specialty crops? Dave Durksen, the Alberta department of agriculture's export marketing officer thinks they have.

He reports that the world market for these crops, known as pulses, is very strong. Ontario growers, for example, are getting 10¢ to 12¢ a pound for white pea beans, which is the highest price they have received for many years. The demand for

things like lentils, which used to be considered the poor man's source of protein, is also rapidly increasing. With the improved standard of living in most European countries, lentils have become a luxury product. Many expensive restaurants now provide a dish of lentils with their meals.

Pulses include green, blue yellow and chick or garbanzo peas, butter beans, brown beans, adzuki beans, white beans, red kidney beans, horse beans, the great northern bean and the Italian bar-lotti bean.

At present, the irrigated area around Taber and Bow Island as far as Brooks seems to be the best location for some of these specialty crops.

Although there is already a world market for pulses, they are not yet appreciated on the home-front. For example, most people have no idea how delicious chick peas and many types of beans are in salads. Mr. Durksen believes that the demand for pulses would soon be forthcoming if these crops were grown here and recipes were distributed telling consumers how to use them.

JUDGING

Why was my article not given a first? How does a judge evaluate a baking product or a garment? What did I do wrong?

These are some of the questions asked by many participants in handicraft shows and achievement days. Your opportunity to find out the answers to these questions and many others is coming on June 15th.

JUDGING SCHOOL

The District Home Economists from Leduc, Westlock, Athabasca and Stony Plain are sponsoring a Judging School, Thursday, June 15, 10:00 a.m. to 3:30 p.m. at the Edmonton Exhibition Grounds, Silver Slipper Number 2.

PURPOSE

To increase awareness and provide information to women's groups and individuals on how and why judging is done by examination of methods, contemporary ideas and activities and current standards.

WHO MAY ATTEND

The school is open to all who are interested from women's groups, 4-H groups, fair board members, girls club members and leaders, craft guilds and the general public.

REGISTRATION

Fee of \$1.00. Facilities are available at the Exhibition Grounds for lunch.

JUDGING EXPERIENCE

To provide actual judging experience, participants are asked to bring articles in foods, clothing and handicrafts as examples. Please feel free to bring articles. following is a list of the categories.

Foods -- Bread, 1 loaf white; cake, 1 chocolate or angel food; cookies, any type (6); and pickles, any type.

Clothing -- Blouse, button opening; dress; and lined garment, i.e. jacket.

Crafts -- cross-stitch, any article; colored embroidery, any article; knitting, any article; crochet, any article; soft leather, any article; macrame, any article; and fabric printing, i.e. batik, tie and dye.

If you or your group is interested in attending this school, please write Box 510, or phone 777-2231 for a registration form.

VILLAGE OF EVANSBURG

Notice is hereby given that under the provisions of The Tax Recovery Act, the Village of Evansburg will offer for sale by public auction at the office of the secretary-treasurer of Evansburg, Alberta, on Thursday, June 15th, 1972 at the hour of 2:00 o'clock in the afternoon the following parcels of land and improvements:

Lots	Block	Plan
10	16	1138MC
(C. of T. 52-S-188)		
1.82 acres	H	1187CL
(C. of T. 68-B-197)		
3	11	1295ET
(C. of T. 113-J-178)		
0.28 acre	Y	3058ET
(C. of T. 117-0-178)		

Each parcel will be offered for sale, subject to the approval of the Minister of Municipal Affairs, and subject to the reserve bid and to the reservations and conditions contained in the existing certificates of title.

Terms: Cash.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at the Village of Evansburg, in the Province of Alberta, this 18th day of April, 1972.

(Mrs.) MARY CUMMING
Secretary-Treasurer

C.W.L. News

A parish supper sponsored by the C.W.L. was held on May 7th in the Legion Hall in honour of Senior Citizens in the parish. About 25 came to enjoy the supper. Master of Ceremonies Mr. G. Coulombe introduced the parishioners along with Mr. G. Dompnier chairman of the parish council who spoke briefly. After supper all enjoyed playing bingo.

The C.W.L. would like to thank everyone who purchased bedding plants during a recent plant sale.

An enjoyable evening was spent on Wednesday, May 24 when Dr. Belcher of Drayton Valley showed film and slides on his missionary work in Uganda, Africa. He spoke briefly of the people that live in the rural areas of that country. After a question period coffee and doughnuts were served.

Present Awards At Evansburg

Recipients of Legion 25-year Awards at Evansburg recently are, from the left, Ken Hoople, Roy Hadley, Bob Armour, Amby Ambrose and George Davidson.

Carl Bjornstad (Left) receives the Meritorious Service Award at the VE Day Celebration in Evansburg for outstanding service to the Legion. In the background is District Commander Percy Rossiter.

Regular Meeting of Yellowhead Board

Present for the Yellowhead School Division Board meeting May 10 were trustees Geo. Monsma, A.L. Fausak, A.E. Winfield, S. Delano, M.A. Collin, Mrs. H.K. Nelson, Dr. I.W. Reid, County of Parkland Representative, Mrs. A. Clark; Superintendent of Schools, Mr. B.A. Chandler; and Assistant Superintendent, D.S. Blundell. The meeting was held at the Harry Collinge High School in Hinton.

The Board approved three changes in plans for the Grand Trunk High School. The floor covering for all hallways was changed to vinyl linoleum which is much easier to maintain, a partial wall was approved for the guidance counsellor's waiting room so that there will be more privacy for students waiting to see the counsellor and approval was granted for the installation of a sink in the duplicating area of the multi-purpose business education room.

Approval was granted for Farmers' Day, June 9, to be a school holiday. Under new departmental regulations it is now possible for boards to decide whether Farmers' Day will be a school holiday. Since the Board has already approved the organization of the present school year and had included Farmers' Day as a holiday, it was decided to approve it as a holiday this year, but in the organization of the next school year consideration will be given to having this holiday at a different time rather than so near to the end of the school year.

Resignations were accepted with regret from Miss J. Nicholson of Mountain View School, Miss D. Sanft of Pine Grove Elementary School, Mrs. D. Germain of

Evansburg High School, and Mrs. K. Griffiths of Mountain View School. Mrs. K. Griffiths is retiring after 14 years of service with the division.

A leave of absence was granted to Mrs. B. Tewana and Mrs. V. Williams for the 1972-73 school year and to Mrs. F. Scotvold for the first semester of the 1972-73 school year. Miss L. Coburn was granted a year's leave of absence to attend university and Miss L. Jenkins was granted a one-day leave without loss of pay to consult with her thesis advisor at the University of Alberta.

Mr. Chandler and Mr. Winfield reported on the interviews of candidates for the Wildwood principalship. Thirteen applicants were interviewed. The position was accepted by Walter P. Robinson of Lytton, B.C. Mr. Robinson holds a BEd from the University of Victoria and has completed a fifth year of university specializing in elementary education. He has five years of experience, all of them either as a principal or vice-principal. At the present time, he is vice-principal of the Lytton Elementary School. Mr. Robinson is married and he and his wife have three children.

The Board approved the appointment of a policy committee consisting of Board, teacher, administrator, and student representation. The committee will meet as often as is necessary to review necessary policy changes before the changes are considered by the Board. A new committee will be formed at the beginning of each school year.

A change to the Board's proposed agreement with the Town of Hinton regarding the

Hinton Municipal Library in Harry Collinge High School was approved. The town's contribution for books and processing materials will be limited to the annual per capita levy in Hinton. This amount is presently \$1.75 per capita. The previous wording tied the town's expenditure to the amount spent by the Yellowhead School Division on a per pupil basis.

Approval to submit a statement of need to the Department of Education to increase the size of the library at Niton Central School was granted. The present library occupies one classroom and thus is overcrowded. Furthermore, the Green Grove Recreation Board would like to organize a community library within the school library. Final approval of the library extension will be dependent on costs, grants and contributions from the Green Grove Recreation Board, and the need to move a portable in for additional classroom space.

After examining the evaluation of the ten-period day at Harry Collinge High School in terms of the original objectives for this type of organization, the Board decided that the ten-period day was not meeting the objectives that were originally set down. The teaching staff and the Local Advisory Board and the school's advisory council recommended discontinuance of this extended school day. The students, however, felt that the ten-period day should be continued.

A steering committee with Board, student, teacher, and parent representation was appointed to assist in planning a program of drug education. The committee will be working closely with Mr.

Cont. on Page 21

VILLAGE OF EVANSBURG NOTICE OF PUBLIC MEETING

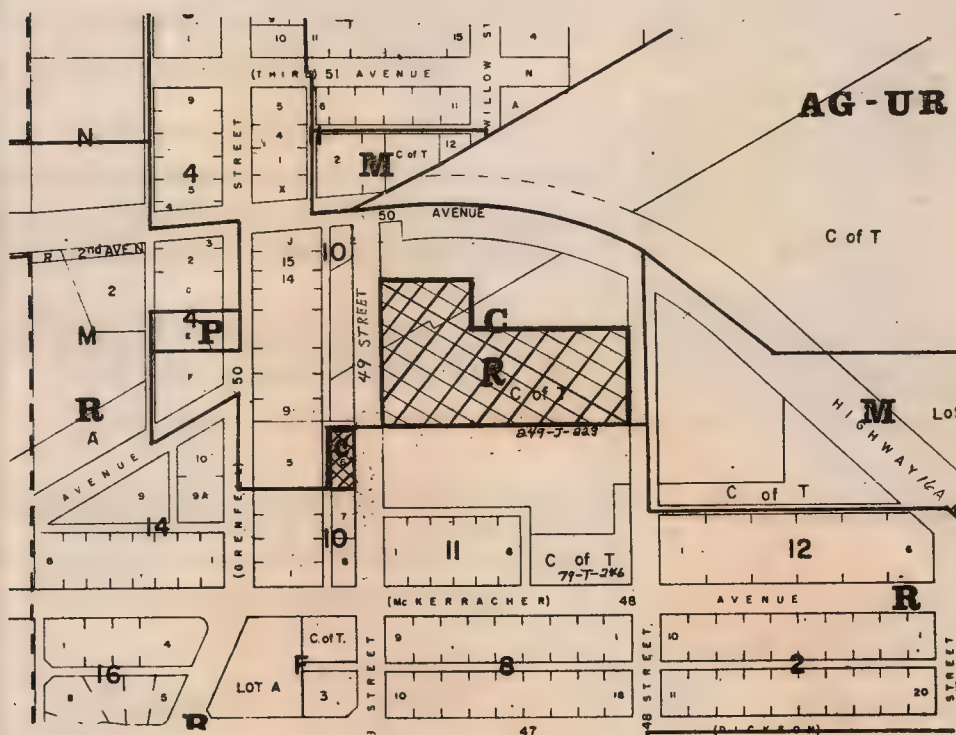

The Council of the Village of Evansburg having authority under Section 134 of The Planning Act to amend By-law No. 221 proposes to pass By-law No. 258 for the following purposes:

That Lot 6, Block 10, Plan 2073 H.W. be rezoned from R (Residential) to C (Commercial);

That a portion of S.E. 30-53-7-W5th be rezoned from C (Commercial) to R (Residential) the area being described as follows:

"Commencing at a point on the east boundary of that part of S.E. 30-53-7-W5th (Certificate of Title 249-J-223) 350 feet north of the southeast corner of that part of S.E. 30-53-7-W5th (Certificate of Title 79-T-246) which abuts 48 Avenue; thence north along the said east boundary a distance of 210 feet; thence westerly a distance of 340 feet; thence northerly a distance of 110 feet; thence westerly a distance of 200 feet; thence southerly and along the easterly boundary of 49 Street a distance of 320 feet to a point on the west boundary of Pt. S.E. 30-53-7-W5th which parallels the point of commencement."

The proposed zoning is indicated by the shaded area on the plan below.

The proposed by-law may be examined during office hours 10:00 a.m. to 12:00 noon and 1:00 p.m. to 5:00 p.m. Monday through Friday at the office of the Secretary-Treasurer, Village of Evansburg.

The Public Hearing will be held in the Village Office at 5:00 p.m. on Monday, June 12th, 1972.

Written objection to the proposed by-law will be received at the office of the Secretary-Treasurer until 4:00 p.m. of the 12th day of June, 1972.

Objections shall be submitted in writing prior to the meeting

(Mrs.) Mary Cumming
Secretary-Treasurer
Village of Evansburg

Board Meeting

Cont. from Page 20

Howard Johnston, employed during May and June to develop a program of drug education in cooperation with students, teachers, and parents.

Dr. Reid reported on a meeting with the Town of Hinton, their town planning consultants, and representatives from the Yellowhead School Division regarding the site of a future high school in Hinton. The Board's representatives had expressed concern about the location of future high school site west of the curling rink. The biggest disadvantage of the site was that more students would have to walk a greater distance and it would likely cause bus problems. The three parties agreed that the best location would be in the new Hillcrest subdivision, located in such a way as to be within walking distance from the whole hill area and so that facilities might be shared in the future with the Forestry Technology and Junior College if one is built. The Board approved the incorporation of a future high school site into the Hillcrest subdivision and that the town of Hinton be informed of this.

Because school administrators spend considerable time at their schools during August in preparation for the new school year, the Board approved giving them special consideration for some time off for personal reasons during the school year.

A plan for developing Parkland - Pine Grove school grounds was approved. Included in the plan was a track, a football field, a tennis court, a softball diamond for the high school. The variety of playground equipment. The tennis court will be jointly funded by the Town of Edson, the Edson Tennis Club, and the Yellowhead School Division. The Board decided to spend up to \$6,000. on the tennis court -- this is approximately fifty per cent of the cost. The total estimated cost of the Park-

land -- Pine Grove development to come out of a previous by-law was \$14,800.00.

The Board received a report on the Work Experience program at the Evansburg Junior-Senior High School. Sixteen grade XII students were participating in the program in a variety of areas including office work, gymnasium assistant, meat cutting, general stock clerking, and lab assistant. From the comments of both the students and the employers it would appear that the program is very worthwhile.

A report on a meeting between preschool and primary school personnel was received. The Supervisor of Instruction, Mr. J. Moffatt, had provided the preschool teachers with information on developing speaking and listening skills as well as other aspects of Language Arts development. It was agreed by the people at the meeting that there should be greater cooperation between preschool and primary school. The primary schools are planning to invite the preschool teachers to some of their in-service meetings and conferences will be held between the two groups in May to discuss the progress of preschool children.

The business education teachers' meeting was reported on. Seven business education teachers from across the division met with Mr. Wescott and Mr. Moffatt to review and adopt a philosophy of Business Education for the guidance of teachers in the Division, to discuss common concerns and to give some direction to the development of business education programs within the Yellowhead School Division.

Progress on the computerized scheduling of secondary schools within the division was outlined. To date it was reported that pre-registrations were held, total course counts for each subject have been received, and courses with low enrolments have been deleted or combined with other low en-

rolment courses. The next step will be the organization of teacher loads and the facilities available for instructional purposes. When this information is supplied to Columbia Computing Services, a master schedule will be developed.

The Board reviewed a report on teacher absenteeism. The report included the percentage of absenteeism and the reasons for such. It was noted that the average percentage of teacher absenteeism for the whole school division was 2.96.

The Board members expressed their concern regarding a recent news release on Driver Education from the Minister's office. The release had indicated that teacher preparation course, a necessary prerequisite for teaching driver education. Only if there were some openings left would teacher aides be allowed into the course. In view of the difficulty the Board has had in getting teachers to offer the in-car portion of driver education, they very much wanted to get some people, like bus drivers, to take the course so that they could offer the in-car part of driver training. It was decided to write to the Minister of Education as well as to the two M.L.A.'s representing our area and express this concern.

The next Board meeting will be held at the Harry Collinge High School on June 14, 1972 at 9:00 a.m.

Burton DENTURE CLINIC

Certified Dental Mechanics
10279 - 101 St., Edmonton
PHONE 422-3235

YELLOWHEAD SCHOOL DIVISION PRE-SCHOOL CLINICS

All schools in the Yellowhead School Division offering Grade 1 will pre-register possible school beginners during June. The dates set for this year's pre-registration are:

Wildwood	May 31, June 1 & 2, 1972
Evergreen (Edson),	June 6, 7 & 8, 1972
Mountain View (Hinton)	
Marlboro	June 7 & 8, 1972
Niton Central	June 14, 15 & 16, 1972
Evansview (Evansburg)	June 19, 20 & 21, 1972
Bryan (Robb), Peers, Fulham	June 26, 27 & 28, 1972
Crescent Valley (Hinton),	
A.H. Dakin (Edson)	June 27, 28 & 29, 1972

All children born on or before December 31st, 1966 are required to attend pre-registration school for the two or three day program. Children born during the months of January or February 1967 may attend, however, these children will be admitted to school in September only if they are found to be at an acceptable level of maturity.

During the two or three days, the children will become acquainted with school life, will be carefully observed and helped by teachers, and will be given a test to determine their readiness for Grade 1 work. Following the pre-registration school a report will be sent to parents. This report will indicate whether or not the child was found to be at an acceptable level of maturity to begin school.

Please use the registration form below and forward to the school at which children from your area are attending. This form should be at the school by June 5, 1972. Additional forms are available at the elementary school and at the Yellowhead School Division office. It is essential that your child's birth certificate be presented to the principal on the first day of registration. If you do not possess such a certificate you should obtain one immediately from the following, enclosing two dollars (\$2.00) for same:

Bureau of Vital Statistics
Alberta - Jasper Building
Edmonton, Alberta

Evansburg News

At their recent opening sale (the Rex Rimmer Hardware) from May 11th to 20th, gave away a recliner chair. The winner was Mr. John Waddell Sr. of Magnolia.

The long weekend was quite busy, for many it was getting their gardens planted, for others it meant a visit from relatives or they would get to see friends. Mr. and Mrs. George Otto and family from Hinton were visiting at the J. Otto home. Mrs. Emma Cordeau Mr. Stanley Cordeau, from Sydney Mines, Nova Scotia are visiting Fr. Leo Cordeau at the St. Elizabeth parish. A wine and cheese party was held in their honor by the parish. Mr. and Mrs. R. Cumming motored to Cold Lake to visit their daughter Margeret and son-in-law John and grandsons. Mr. and Mrs. A. Lorenz and Mr. and Mrs. Joe Tomkinson and girls motored to Rimbey to attend an auction sale of a sister and brother-in-law's for farm machinery. The weekend all drew quite a bit of activity at the baseball diamond. A fastball tournament drew teams from Edson, Onoway, Magnolia and the Evansburg team. The winners of the first prize money was Evansburg with Onoway taking second. The young men responsible for getting the ball diamond in shape, building the backstop and bases are to be commended as this

ball diamond has been lying dormant for years.

The United Church women held a successful rummage sale and tea. They wish to thank all those who donated articles and those who supported them. All members of the U.C.W. are reminded of the regular meeting which will be held at the home of Mrs. Annie Graham on June 7th. Everyone is welcome.

We extend best wishes and many happy returns of the day to Mr. Bob Armour who will be 92. He was born in Scotland and came to Canada and Evansburg in 1910. He is a veteran of two wars -- the Boer War during Queen Victoria's reign and the First World War, - during which he was a prisoner in Germany for two years. When he arrived in Evansburg there was no town as yet or houses to live in all the men lived in tents. He helped build the first mine shaft. Mr. Armour lives alone in his own house, does his own shopping and cooking. He is still keen of mind and does a lot of reading to keep up on world affairs.

Coming Events -- United Church service, June 4 at 2:30 p.m.; Legion and Auxiliary meeting, June 5 at 8:00 p.m.; U.C.W. meeting, Mrs. Graham residence on June 7th at 8:00 p.m. and Legion Bingo, every Tuesday night at 8:00 p.m.

ENGAGEMENTS

Mrs. Maurice Cryderman of Edmonton is pleased to announce the engagement of her daughter, Patricia, to Mr. Dennis Rendflesh, son of Mr. and Mrs. Gene Rendflesh of Drayton Valley. Wedding to take place August 18th, 1972, at Holy Spirit Church, Edmonton, Alberta.

THANK YOU

Thanks, most sincerely, to all my relatives and friends who came to see me while I was in hospital, for the letters and all the lovely cards and all the good wishes extended to me.

Henning Hallgren

We wish to express our sincere appreciation to relatives, friends and neighbors for their kind thoughts, floral tributes, cards and donations received during the loss of our mother, Caroline Pleszczak of Edmonton.

Josie Hawryluk and family, Rosie Kwik (Bahrynowski) and family
